Completely Cured by CUTICURA.

I have been troubled for years with Salt Rheum. My right leg from knee to ankle was raw and swollen all the time, and the pain was most intense. I tried doctors in Hartford, Waterbury, and New Haven, but to no avail. I read an advertisement about CUTICURA REMEDY and bought two bottles of CUTICURA RESOLVENT, some CUTICURA Ointment, and a box of CUTICURA SOAP, and now it is all gone and I am completely cured. I recommend CUTICURA to all afflicted with skin diseases.

## Baby Cured of Eczema

Our little boy was only three months old when he was taken with Eczema that broke out in the most horrible state. His face was full of scabs, and some parts of the feet were raw. We used CUTICURA SOAP, and one week this boy was as good as ever, and we can say the child has been O. K. ever since. We are willing to recommend CUTICURA to all afflicted with Eczema, and we can publish this statement for it is nothing but the truth.

Last week, while A. Markham, of lot 7, con. 3, Tilbury North, was boring for water, he was suddenly surprised to see a stream of water shoot up in the air fully 60 or 70 feet. The water was accompanied with oil and gas, and when seen recently the gas was pouring out at an enormous rate, and the water had nearly flooded Mr. Markham's barnyard, and was running down the road side, covered with a greenish, thick oily substance, and the air was thick with the smell of gas and oil. While the writer was looking on, two lengths of gaspipe, probably 40 feet in length, were attached, and the gas set on fire, and the flames rushed out for perhaps a distance of ten feet from the

end of the pipe. The well is 115 feet deep.
