GERMANS ADMIT U-BOAT CAMPAIGN CANNOT WIN DECISION IN WAR Political Crisis in Germany Acute | C. P. R. Lake Steamer in Collision

Every Prospect Exists for Continuation of Brilliant Advance.

DISCIPLINE IS GOOD

Spirit of Men Favors Going Forward, U. S. General

spirit among the troops everywhere is excellent. The advance so brilliantly begun has every chance for successful continuation."

This was the reassuring comment on the Russian military situation made by Major-General Hugh L, Scott, chief of the general staff of the United States army, on his return tonight from a ten-days' tour along the south-western front into Rumania. General Scott described in detail and with the greatest enthusiasm the Russian advance of June 31, which he personally observed at close range from a point

near Brzezany.
"Few observers," said General Scott,
"have had such opportunity of view-"have had such opportunity of viewing the active operations of any European army since the war began. When we arrived at Tarnopol the Russian artillery preparation had been in progress nearly 48 hours, but we were in Von Bethmann Hollweg Attends Private Session of confers With Emgress nearly 48 hours, but we were in time to watch the brilliant climax.
"We fourneyed from Tarnopol to the firing line in automobiles and were immediately escorted to the trenches. A gress and the Austrian lines were be-

GERARD RESIGNS FROM DIPLOMATIC CORPS

Former U. S. Ambassador to Germany Retires to Private

Washington, July 9. - James W. Gerard, former ambassador to Germany, has resigned from the diplomatic service and returned to private life. His resignation was accepted some time ago, tho the fact was not allowed to become known until today.

CALL CONFERENCE ON BALKAN POLICY

Allies Summon Important Meeting in Paris at Russia's Request.

TO SETTLE QUESTIONS

Delegates Will Deal With Important Military and Political Matters.

London, July 9.—The entente allies have decided to hold a conference in Paris for the consideration of questions of military and political interests in connection with the Balkans.

The subject of an entente conference, and the premiership of Dr. Von Seydler the premiership of Dr. Von Seydler The subject of an entente conference, such as was proposed by Russia, was prought up in the house of commons to-day. Answering a question on this point, Foreign Secretary Balfour let it be known that the allies had been considering the constitution of such a conference

A declaration issued by the Russian provisional government last week said Russia's representatives would be instructed to insist upon the application to foreign politics of the general principles proclaimed by the Russian' revolutionary government. In this connection the government deprecated the enforcement of the change in the rulership of Greece, regarding interference in the internal affairs of Greece as not permissible.

GENERAL CHANG HSUN RESIGNS ALL OFFICES

London, July 9.—General Chang Hsun, leader of the attempt to place the Manchus again on the throne of China, has resigned all his offices and anded over the administration of affairs in Peking to General Wang, who is a friend of Tuan Chi-Jui, leader of the Republican forces. Special despatches from Peking and Tientsin and that the fighting between the Re-publicans and Imperialists has ceased and that the Republicans surround

The railway station in Peking is held by the Republicans and trains are now running between Tientsin and the Chinese capital.

STREET CAR SITUATION STILL VERY SERIOUS

Neither Side Shows Signs of Yielding, But Mayor Calls Special Conference and Compromise ls Not Impossible.

Ottawa, July 9.—Hon. T. W. Crothers said tonight that E. N. Compter, an official of the labor department, had gone from Cobait to Toronto and that he had instructions to do what he could to induce the Toronto Street Railwaymen to continue work and to get them to apply for a board of conciliation.

AIR DEFENCE PROBLEM

Amsterdam, July 9.—(Via Reuter's Ottawa agency).—The military cor- Bonar Law Bombarded With Questions.

Special to The Toronto World,
London, July 9.—In the house of commons today, Andrew Bonar Law, chancellor of the exchequer, announced that a secret session of the house would be held this evening to discuss the air defences of the country.

Mr. Bonar Lew was immediately bombarded with questions. He said it was obviously impossible to give to the public the information which alone would enable the house to understand what the situation was. "It must be admitted," he says, "that both in offensive and defensive means ofor combating submarines our enemies have made progress." He then proceeds to describe the methods used by the allies to cope with the German undersea boats, such as nets, mines and smoke clouds, and continues: "Only continued new constructions and the technical perfecting The correspondent condemns such statements as that England is completely blockaded and such prophecies as that the submarines will bring a decision by August. He considers that submarines cannot pro-

Hon. T. W. Crothers Announces Arrangements for Winter Supply.

TO HANDLE TRANSPORT

American Expert Will Forward Fuel From Mines to Border.

Ottawa, July 9,—"We are going to get all the coal we need this winter," said Hon. T. W. Crothers whe nasked if he had anything to say regarding the control and licensing order placed by the United States on the export of coal to all countries, even to the countries of the allies, including Great Britain and her colonies and protectorates.

Mr. Crothers said that C. A. Magrath, the fuel controller, who is at present in New York, had made complete arrangements for Canada's normal supply of fuel from the United States.

Mr. Magrath has appointed an American expert on coal and transportation to look after the coal from the mines to the Canadian border, and from the border to the points of distribution, it will be taken care of entirely by the railway commission under Sir Henry Drayton.

Mr. Crothers has had no report re-

Mr. Crothers has had no report regarding the coal miners' strike in southern Saskatchewan, which is said to have taken place. When asked if such a strike was a violation of the terms of the Industrial Disputes, Investigation Act, he said it was, but the miners generally had always ignored that legislation.
