AUCTION SALE OF VALUABLE FREEHOLD PROPERTY.

UNDER the powers of sale contained in a Mortgage dated March 26, 1914, which will be produced at the time of sale, there will be sold by Public Auction, at the Auction Rooms of Ward Price, Limited, 28 Wellington Street East, Toronto, on Wednesday, Sept. 12, 1917, at the hour of 12 o'clock noon, the following property: Part of Lot Number Two, Block Number One, north side of Bloor street, Registered Plan 553, having a frontage of about 35 feet on Bloor street by a depth of about 140 feet. On the land is said to be erected a duplex dwelling house, two-storey, detached, pressed brick, on stone foundation, with upper and lower verandah, front entrance to each dwelling. The building is built on a slight elevation, so as to give a good appearance, and contains cellar full size, concrete floor throughout, fitted up so that each tenant has a set of stationary laundry tubs, with hot and cold water supply; likewise a No. 4 Stafford hot water boiler for each apartment; separate coal rooms and cellar space, including separate compartments for larder. The basement is reached either from the side door or from staircase in the interior of the building.

The first and second floors are fitted up as separate dwellings, reached by separate front entrances, with tradesmen's entrance to each apartment from side door, and contain hallway, with coat room; living room, with mantel and grate; dining room, with sliding doors between living room and dining room; den, with brick mantel and grate; kitchen, with porcelain iron sink; also single laundry tub, hot and cold water supply, three bedrooms and bathroom, fitted up with porcelain iron basin, bath and closet, sun room, clothes closets, etc.

Well planned, with hallway running from front to rear, giving rooms on both sides, heated throughout by separate heating plant, with hot water heating, and also wired throughout for electric light, principal rooms and front hall in hardwood, with oak floors, light on all four sides.

This property is situated on the north side of Bloor Street West, and is known as Street Numbers 1930 and 1932, and is located between High Park avenue and Quebec avenue. It, therefore, faces Howard Park. The location is, therefore, most desirable, owing to the large opening to the south, one of the beauty spots of the city. It is within a few blocks of the Dundas street car line, and has the convenience of the City of Toronto civic car line, which passes the door.

Terms: Ten per cent of the purchase money to be paid at the time of sale, and the balance within 30 days thereafter.

For further particulars and conditions of sale, apply to the Auctioneers, 28 Wellington Street East, or to

BAD WEATHER IMPEDES BRITISH NAVAL 'PLANES

One German Aircraft Shot Down, Another Driven From Sky.

London, Sept. 11.—"In the last few days owing to unfavorable weather," says an official statement issued today by the British war office, "operations by our naval aircraft have been restricted.

"In the operations which occurred, however, one enemy aircraft was shot down and another was driven down out of control.

"Bombs have been dropped on the Houttave airdrome, but owing to the bad visibility the result could not be observed. All our machines returned safely."

LIVE STOCK MARKET

There was a good, steady market out at the Union Stock Yards yesterday for everything of quality, and at the close of the trading the yards were pretty well cleaned up. Really good to choice butchers were in demand at Monday's advance of 25c per cwt., and more of them would have found a ready market. The packing houses and small local firms looking for good butchers had difficulty in getting their wants supplied.

There was a heavy run of stockers and feeders and anything showing good breeding quality, and weighing up around 800 to 900 lbs., would have brought, and, as a matter of fact, did bring, from $8.90 to $9. There were few good stockers and feeders on sale and too much of the common stuff, which the commission houses find it hard to sell, is coming on the Union Stock Yards, and all large centres. Good quality animals, whether export, butchers, stockers and feeders or milkers always command a good price on the Union Stock Yards, and are easy to sell.

The market for milkers and springers is said to be holding steady, and some sales at good prices have been made from time to time.

Sheep and Lambs.

There was a good steady market for sheep and lambs, especially the latter, which were quoted at all the way from 50c to 75c, and in some cases $1 per cwt. over Monday's prices. Choice lambs sold yesterday at from 15 1-2c to 16c; light sheep at 11c to 11 1-2c, and heavy sheep at 8 1-2c to 10c per lb.

Calves.

There was a light run of calves and the price held steady. Choice calves sold from 14 1-2c to 15 1-4c; medium calves at 11 1-2c to 13 1-2c, and grassers and common calves at 6 1-2c to 9c; heavy, fat calves at 7 1-2c to 10c.

Hogs.

The run of hogs was a light one, only about 700 all told, and the packing houses were forced to pay up to last week's prices, $18.25 fed and watered and $18.50 weighed off. In some quarters there is a disposition to look for lower prices, but there seems to be little to justify the view. Fairly liberal receipts are looked for today, but generally speaking the market for hogs on the Union Stock Yards looks steady to strong.

Receipts.

Total receipts yesterday were 55 cars, 861 cattle, 103 calves, 712 hogs and 838 sheep and lambs.

Market Notes

Andrew Cormack of Paisley, Bruce County, sold to the Swift Canadian Co. a day or two ago 300 choice cattle, weighing about 1350 lbs. each, thru his commission agent, Dave McDonald. The cattle were a good lot, and the sale put thru on satisfactory terms.
