## **BIG DOME CROSSCUT TO** DOME EX. COMMENCED

The opinion generally held on the floor of the Standard Stock Exchange yesterday that Dome Extension stock was being accumulated by the insiders is given support by the report re-ceived from a reliable source to the effect that the crosscut from the Big Dome to the Dome Extension is to be started almost immediately. Surveys for this purpose have already been will be on the 700-foot level and will be 1400 feet in length. Apparently this decision on the part of the Big Dome was hastened by the new finds recently reported on the Dome Exten-sion. The fact that no announcement regarding the Dome Extension lop-tion was made in connection with the made. The crosscut, it is understood, meeting of the Dome directors New York does not signify that the early exercise of the option was not
