

CHERRY VALLEY.

Rev. WM. STEWART reports, that his congregations are as large as they have been at any period since he came to the parish. The services have been regularly performed, except twice, when prevented by illness; and after his recovery, for a month, his strength permitted only one service each Sunday. Two-thirds of his time is given to Cherry Valley, and the adjoining settlements of Barrens, Georgetown Road, and Squaw Bay, Lot 49; the third Sunday is given to the Stratford Church, Lot 48.

At Cherry Valley and Stratford, he has endeavored to keep up a Sunday School, the teaching devolving entirely upon himself. At Cherry Valley, considering the limited time at his disposal for instruction, the children have made laudable progress in understanding and learning the Scriptures.

The small amount of subscriptions is owing more to the inability of the people, than to their unwillingness.

MILTON AND RUSTICO.

Owing to the removal of the Rev. M. SWABEY to another diocese, late in the autumn, and the very recent appointment of the Rev. J. SMITH to the charge of this mission, your Committee are without any detailed report. They are enabled to state, however, that the people have received Mr. Smith's appointment with much satisfaction, and have subscribed with more than usual liberality to the funds of your Society. Their subscriptions amount to £9 5s. 7d.
