THE ACADIA-U. N. B. GAME

The Acadia-U. N. B. football difficulty in the inter-collegiate series for the King-Richardson trophy was settled at a meeting of professors of the three colleges interested, held in the Victoria Hotel last evening.

They discussed the points involved and came to the decision that the protested game of Nov. 5 be not recognized as one of the year 1907 and that, in view of the lateness of the season, it be not replayed.

BASE BALL

STILL A POSSIBILITY.

HAMILTON, Ont., Nov. 22.—There is still thought to be a possibility of Hamilton getting the Montreal franchise for the Eastern League next season. President J. J. McCaffrey, of the Toronto Club, who was here yesterday, promised to have Frank Farrell, owner of the Montreal Club, come here and give further information as to the terms under which the franchise can be purchased. Both the Toronto and Buffalo clubs would prefer, on account of the small jump, seeing Hamilton get the franchise instead of Richmond, Va.

FOOTBALL

BRITISH ARMY FOOTBALL IN INDIA

Old service men will be interested to hear of the progress which sport is making among the battalions quartered in India. Not much more than a decade ago there were only about seven army football clubs in India, now the number has increased manifold, the season's play culminating in the Saturday Cup contest, which has as big a following in the Sunny Belt as the Army Cup has at home. The Durand Cup has been won for the second year in succession by the 1st Cameronians (Scottish Rifles). Throughout the five matches for the cup the Cameronians only had one goal scored against them, and they collected the cup last year with only a single goal chalked up against them. This shows capital play on the part of the Rifles, for most of the best army football teams in India compete yearly in this contest. The Cameronians have always been noted for their capital football team.

BATTLE CHARGED WITH PROFESSIONALISM.

MONTREAL, Nov. 23.—A tremendous sensation has been aroused in Quebec here by the announcement of the fact that information has been laid before the Intercollegiate Athletic Association charging Nicholas Bawli, the Ottawa College full back, with professionalism in hockey. Pending investigation, Secretary Turner, of the C. I. R. F. U., has been ordered to withhold the declaration of the championship.

President Austin Pratt, of the McGill Rugby Club, took the championship cup to Ottawa last night, with intention of presenting it to the College at the annual C. I. R. F. U. dinner. He has been notified by wire not to do so.

COUNTERFEITED RUGBY TICKETS.

PORTLAND, Me., Nov. 23.—The police

here have nipped in the bud a wholesale attempt to counterfeit tickets for the Harvard-Yale football game. William Leighton, alias Brooks, of Boston, and Fred Patrick, a local engraver, are under arrest charged with the attempted offence.

THE TURF

TRACK GOSSIP.

What will Todd (2:14 3/4) bring and who will be his owner?

Dan Patch did 1:27 3/4 at Phoenix. He is, indeed, an iron horse.

Dainty Dolly (2:09 3/4) was the first 2:10 trotter bred in West Virginia.

The Johnson farm consignment to the "Old Glory" sale will be sold on Thursday.

The Brooklyn Fair Association took in \$84,561 during its fair last October. Its expenses were \$66,753, leaving a balance of \$17,808.

Princess Helen (2:05 3/4) is to be taken to the New York speedway to try for the scalp of Don Juley (2:04 1/2), who has long been his boss.

The trotting gelding Demarest, that made a record of 2:14 1/4 over a half-mile track late in the season, is being touted as a sure 2:10 performer.

Millard Sanders says that he is firmly of the opinion that the 3-year-old filly Ruth Dillon (2:15 1/4) will be a champion trotter some day.

It is said that the fast pacer Hedge-wood Boy, that made such a successful campaign the past season, will be tried at the trotting gallop another season.

An own sister to the occasional trotting mare Sonoma Girl (2:05 1/4) is to be sold at the New York sale this week. She is called Sonoma Maid, and is credited with a mile in 2:10 1/4.

The feature of the closing matinee of the season at the Franklin Field speedway will be the third meeting between the pacers B. S. Dillon and Rondo. They are the crack pacers of the club, and the winner will be the club champion for the year.

Fred Furbush's gray mare Outcast is proving to be a real crack at the quarter-mile game, and there are many who think that she would give either B. S. Dillon or Rondo about all they would want to do to beat her over the Franklin Field speedway.

R. H. Perry of Staroged, Pa., claims to own the best mare of 1907 in the country. It is a 3-year-old, named "The Girl," and is a 2:10 trotter. She is a 3-year-old, named "The Girl," and is a 2:10 trotter.

Arthur D. D. son of Arthur D. dam Butterly, by Strathmore, and is only five years old.

Mamie S. by Bobbie Goldust, noted as the dam of Goldust Maid (2:07 1/4) and Vanita O. (2:10 1/4), by Silverthorne (2:15), gains a third standard trotter, even brother to these two mares, in the 10-year-old stallion Gold Thorn (2:26 1/4).

DECLARES THAT SCOTT AGT IS THE BEST LIQUOR LAW

Westmorland Temperance Alliance Is Satisfied With It and Will Fight All Attempts To Repeal It.

Moncton, N. B., Nov. 25.—The Westmorland County Temperance Alliance met here this afternoon to organize for the Scott Act campaign in the event of an election being held. By B. C. Borden, of the Westmorland Alliance, presided. There was a large and representative gathering. One of the first acts of the alliance was the passing of a resolution declaring the Scott Act the best temperance legislation in existence and pledging themselves to do their best to have it sustained at the polls, maintained and enforced.

The alliance decided to unite with the new province Temperance Alliance. Considerable discussion took place in reference to the probable success of the petitioners to bring on an election in the county. It was stated that the county had been canvassed by the circuit riders, and that the necessary number of names could not be secured. It was considered, however, that the petition would ultimately succeed and an election take place.

During the discussion Judge Emmerson stated the Moncton police magistrate, by his imprisonment sentence, had done more for the Scott Act than any ten men in the province. Reference was made by the speakers to the rigid enforcement of the act now being made in Moncton and confidence was expressed that the law would be sustained when the election was brought on.

In addition to the officers being elected a committee of five for each town and parish was appointed to carry on the work of the organization in the county and look after the temperance interests during the pending of the election. Officers were elected as follows:

President, Rev. B. H. Thomas, Dorchester; secretary-treasurer, F. W. Emerson, Moncton; vice-president, J. V. Jackson, Moncton.

Moncton parish, Rev. A. J. Gould, Salisbury; Rev. C. W. Hamilton, Shediac town, James Frier, parish, Rev. William Penna, Dorchester, E. W. Cochrane, Miramichi town, Principal Palmer, parish, Geo. Wry, Botsford, Rev. J. H. Brownell, Westmorland, Rev. C. Flemington.

Reference was made to the threat of the Moncton hotelkeepers to close the hotels and one of the local lady delegates present said, in that event she, as one, would open her house for the entertainment of strangers. It was decided to hold a mass temperance meeting in Moncton at the pending of the election under the auspices of the alliance.

The New Brunswick commissioners, A. O. Skinner, chairman, Rev. Thomas Marshall and W. D. Carter, with J. B. Jones, clerk, are here and will open a session tomorrow for hearing citizens in reference to the working of the Scott act in Moncton and the county. This session, it is stated by the commissioners, will likely last two days.

A tickling cough from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babies. The wholesome green leaves and tender stems of a long-healing mountain shrub, furnish the curative properties of Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive membrane. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a reasonable plant extract, that helps to heal ailing lungs. The Siliariads call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by all drug stores.
