

ROYAL YEAST

Has been Canada's favorite yeast for over a quarter of a century. Bread baked with Royal Yeast will keep fresh and moist longer than that made with any other, so that a full week's supply can easily be made at one baking, and the last loaf will be just as good as the first.

NEW HOSPITAL REGULATIONS

The bill dealing with hospital matters was presented to the special committee of the municipal council at a meeting yesterday afternoon. Copies of the bill will be furnished to the members of the council and to the commissioners of the general public and county hospitals, after which the bill will be dealt with by the bills committee. The bill provides for the payment of hospital bills for destitute patients by the municipalities from which they come or by transportation companies bringing them here. It also authorizes the payment of \$6,000 to the Victorian Order of Nurses in lieu of their claim on the general public hospital and provides that two years' residence in the city or county will be necessary to qualify for admittance to the county hospital.

Pays Fine and Damages

An investigation into the blasting on the site of the new elevator yesterday

brought forth a chief of Police Simpson which the foreman, Fred L. Boone, was fined \$20 for not having the blast properly covered and he was also ordered by the court to pay all damages. Mr. Boone has charge of the blasting operations for the Engineering & Construction Company, of which E. R. Reid is the president.

Evidence of what happened was taken and the foreman made no statement other than he had thought the blast was properly covered.
