**Dandruff Surely
Destroys the Hair**

Girls—if you want plenty of thick,
beautiful, glossy, silky hair, if by all
means get rid of dandruff, for it will
starve your hair and ruin it if you don't.
It doesn't do much good to try to
brush or wash it out. The only sure
way to get rid of dandruff is to dissolve
it, then you destroy it entirely. To do
this, get about five ounces of ordinary
liquid arvon; apply it at night when re-
tiring; use enough to moisten the scalp
and rub it in gently with the finger tips.
By morning, most if not all of your
dandruff will be gone, and three or four
more applications will completely dis-
solve and entirely destroy every single
sign and trace of it.
You will find, too, that all itching and
digging of the scalp will stop, and your
hair will look and feel a hundred times
better. You can get liquid arvon at any
drug store. It is inexpensive and four
ounces is all you will need, no matter
how much dandruff you have. This
simple remedy never fails.

**Best Home Treatment
for All Hairy Growths**
(The Modern Beauty).

Every woman should have a small
package of delicate hair cream for its time-
ly use will keep the skin free from
beauty-marring hairy growths. To re-
move hair or furs, make a paste with
some of the powdered delatone and
water. Apply to hairy surface and af-
ter 2 or 3 minutes rub off, wash the
skin and it will be free from hair or
blems. To avoid disappointment, be sure
you get real delatone.
