SUMMER SKIN TROUBLES

Sunburn, blistering, and irritation are the commonest form of summer skin troubles, and Zam-Buk ends these very quickly. It works in two ways. As soon as applied, its antiseptic powers get to work and kill all the poison in a wound, a sting or a sore. This generally ends the smarting and the pain. Then Zam-Buk begins the healing process, and fresh healthy tissue is built up. For sore, blistered feet, sore hands, heat rashes, baby's heat spots, sore places due to perspiration, etc., you can't equal Zam-Buk. It also cures cuts, ulcers, abscesses, piles, and all inflamed and diseased conditions of skin and subjacent tissue. Druggists and stores everywhere sell Zam-Buk, 50c. box. Use Zam-Buk Soap also, 25c. per tablet. All stores, or Zam-Buk Co., Toronto.

MENTA STURGEON, V. D. M.

One year of war involving directly nearly all of Europe, and indirectly, everybody, has solved no problems. It has multiplied new ones, which for the time have overshadowed the old ones, which have been with us through the centuries, but which to the thoughtful mind are only aggravated by the added burdens. We are thinking more minutes in the hour and more seconds in the minute than ever before. Waste of war, consequent heartaches, and then what? Is the curtain to lift shortly on a NEW STATE, with better guarantees of peace and permanency? What is to be the reward of the sacrifices made? How will the New State be introduced? How will it operate? What is the connection between this New arrangement of earth's affairs and the "Keys of Hell"?
