"The Flag"

that never comes
down"—

One of the most thrilling and inspiring of all war songs.
Every loyal Briton should hear this wonderful song as
sung by Edward Hamilton, the well-known baritone,
on Victor Record No. 17696, price 90c. On the
reverse of this record is a strikingly realistic descrip-
tion of the passing of the British troops through
Boulogne on their way to the front.

Among the others on the splendid list of New Victor
Records for March are:

Ten-inch, double-sided Victor Records, 90c for the two selections:
On the 5:15 American Quarter 17704
They All Had a Finger in the Pie American Quarter
Good-bye Girls, I'm Through (from "Chin Chin") Raymond Dixon 17715
Ragtime Temple Bells (from "Chin Chin") Billy Murray

Lots of New Dance Music—
four twelve-inch, double-sided Victor Records, \$1.50 each, of the very latest in dance music
Hear this one:

New Red Seals—

another of the matchless lists of Victor Records by famous artists.
John McCormack-Fritz Kreisler duet

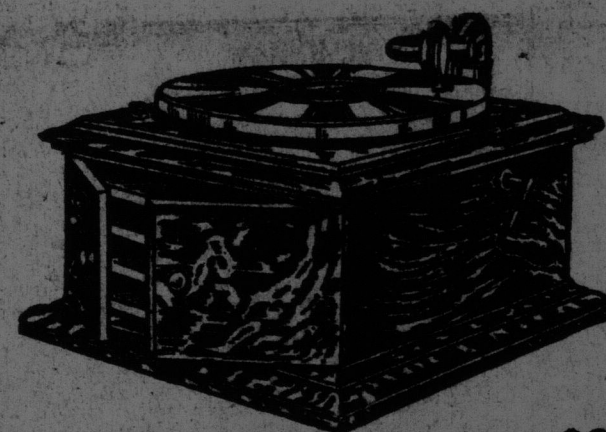

Ave Maria (Gounod) John McCormack, tenor-Fritz Kreisler, violin—88481

A Notable Achievement

Splendid recording of Bach's Concerto in D Minor for two violins, by
Fritz Kreisler and Efrem Zimbalist. In three parts—Victor Records

MARINE NOTES.

The royal mail steamer Scandinavian
left last night for Liverpool via Halifax
with 600 passengers and a general cargo.
The Allan liner Mongolian, 400 miles
off Cape Race, commenced to leak badly.
She sent a wireless for help and the Red
Cross liner Stephano, 418 miles off Hal-
ifax, went to her assistance. The Mon-
golian some time ago struck a rock off
St. John's (NB) and was temporarily

repaired after which she started for the
old country. There are 200 passengers
on board the steamer. It is believed
that she encountered ice on the passage
and the old leak was forced open. The
American coast guard ship Seneca is
conveying the Mongolian to Halifax.
The Danish steamer Belgian, Captain
A. Nielsen, arrived in port last evening
from Havana. She brought 2,200 tons
of sugar for the Atlantic Refinery. The
steamer encountered strong northeasterly
gales.

A cadet corps has been formed among
the boys of the St. John High School,
under J. S. Henry as instructor, and
with the following officers: Harry Flood,
Major; R. Ritchie and H. Butlin, cap-
tains; I. Williams, K. Jones, P. Belyea
and I. Anglin, lieutenants. Some sixty
boys have signed the roll already.

Save \$2.50

Beginning Monday morning the Hoosier Manu-
facturing Company permits us to sell the "WHITE

Take Five Minutes to Decide Now

Come in Monday early, examine these Hoosiers
carefully, then decide whether you want to buy now
while you can save \$2.50, or later, when you cannot
buy below the regular set prices. Decide whether you
can afford to waste the energy you now spend in
walking in your kitchen, when a single dollar will
bring you the Hoosier Monday.
Remember, that after this sale the "WHITE
BEAUTY" goes back to the regular price.

"WHITE BEAUTY" is the finest Hoosier made.
To double the sale of this one Cabinet quickly, the
Hoosier Company authorizes this sale in picked towns.
This is truly the chance of a lifetime for a few wo-
men only. OUR ALLOTMENT IS STRICTLY
LIMITED.

"WHITE BEAUTY"

Delivered for \$1.00 in your home. Then at the
rate of \$1.00 weekly soon pays the balance.
Your money back if you're not delighted with
it. No extra fees. No interest; just the cash
price less \$2.50.

Saves Miles of Steps For Your
Tired Feet

You now must carry things from your cup-
board and pantry to your table and back again
at every meal. This means miles of steps. The
Hoosier saves all these, because it combines
everything at your finger ends. You can sit
down in front of the Hoosier and do nearly all
your work. You save energy by saving steps.
You have more leisure.

Has 40 Labor-Saving Features
12 New

This "WHITE BEAUTY" gives you a real
scientific kitchen. You can put 400 articles in
this new Hoosier, every one at your finger's end.
The Cabinet includes the patented Shaker flour
sifter, only after made that shakes flour in-
stead of grinding it. It has also a com-
plete accounting system; a cook book holder
that keeps your book always open in front of
your eyes; Mrs. Christine Frederick's Food
Guide that answers the question: "What shall
I have for dinner?" The work table is of pure
aluminum.

TO THE PUBLIC: We authorize this sale, limited
to "White Beauty" Hoosier cabinets, at \$2.50 less
than the fixed cash price of these cabinets, this
week only. THE HOOSIER MFG. CO.,
