

FINNEMORE URGES PROBE OF CITY LEAGUE

UMPIRE HINTS AT ACTION FROM OTHER SOURCES

Holds to Decision for Which He Was Banished by Clubs

DECLARES HE WILL NOT BE INTIMIDATED

Says Position Untenable, When President Refuses to Back Umpires

IN CONNECTION with the controversy which has arisen over the dismissal of Arthur Finnemore as an umpire of the City Baseball League, the following statement was made by Mr. Finnemore today. He said that he was not going to be intimidated by the clubs and that he would stick to his decision. He said that he was not going to be intimidated by the clubs and that he would stick to his decision.

My troubles as an umpire started last year when I put player Charles I. Gorman out of the game, and apparently, instead of taking it in good spirit, he must bear enmity towards me, culminating in the present issue. The Waterworks Club has several players who are going to win, even if they have to 'kick' their way through, and apparently every question of Gorman and Snodgrass, apparently to break my will, and as you know, if broken, you naturally will lean to the side you are afraid of. I have realized what the issue would be if I allowed myself to be broken, and naturally have fought for my honor and for the good of the game. It is impossible for an umpire to carry on in the face of such tactics, especially when the president won't back his umpires, and takes every occasion to try and get him.

THE PRESENT CASE
In this particular instance I gave a decision which I believe to be correct, and in doing so, I made Gorman and Snodgrass wroth. Are they running the league? Are they the only players, or what hold have they to be able to predominate regardless of the case?
In justice to myself, the public, and I concerned, it is about time that the mature authorities investigated the case.

PAUL PLAYS GREAT GAME WITH ROYALS

Has 16 Strikeouts, 7 Stolen Bases, 3 Hits and 3 Assists—Crescents Lose.

The Royals rolled up a big score on the South End last evening when they swamped the Crescents, the final count being 14 to 9. Tony and Gorman, who did the hurling for the losers, were touched for 16 hits. Paul twirled for the winners and had a general all-around good night. He had three hits out of five trips to the plate, had no less than seven stolen bases, performed in three assists, had no errors and allowed but four hits. He also registered 16 strikeouts.

Harper, at shortstop, collected four bingles out of five trips to the batter's domain. The Royals had six earned runs, while the Crescents had but one. The summary:

NEW TENNIS STAR
BERLIN, July 13.—The play of Dr. Hens Landmann, of Darmstadt, in the Berlin Red White Tennis Club meet, in defeating Vincent Richards and Howard Kinsey, had caused German tennis followers much elation. Dr. Landmann is now hailed as a discoverer in the international field. The German player's victory over Kinsey yesterday was 6-1, 6-1, 6-4, while his victory over Richards today was 1-6, 6-4, 6-3, 6-2.

TEAMS BATTLE TO TIE AT ROTHESAY

Fair Vale Youngsters Put Up Good Performance Before Large Crowd.

A snappy brand of ball was delivered up on the Rothessay diamond last evening when the Fair Vale "ponies" battled to a 9-9 tie with the Rothessay team. With the exception of one or two spots, the visiting youngsters played almost airtight ball, and their work received much applause from a large crowd of fans.

Eric Thomson started in the box for Rothessay but gave over to Graves after the third inning, returning in the fifth. Graves took over again in the seventh and finished the game.

George Power, a promising young intermediate, who heaved for the visitors, turned in a fine performance, and would have won his game but for a couple of costly errors and a bad throw by his team-mates towards the close of the contest. Fortune, who is also a youngster in knee breeches, also played a snappy game and is shaping up like a real ball player.

The teams lined up as follows:
Fair Vale..... Catcher
Fortune..... Pitcher
Powers..... Thomson & Graves
Holder..... First Base
J. King..... Second Base
J. Geary..... Third Base
Richardson..... Shortstop
King..... Right Field
Sullivan..... Centre Field

WILL SHOOT TODAY FOR KING'S PRIZE

About 900 Marksmen Will Compete in First Stage of Bisley Classic

BISLEY CAMP, Eng., July 13.—Provided the weather of the past few days holds out for a little while longer, and there are no indications to the contrary, the King's prize, classic of the National Rifle Association's meeting at Bisley, should be shot in almost ideal shooting conditions.

The first stage—the great prize is decided in three stages—takes place tomorrow, with about 900 marksmen from all parts of the Empire shooting at three distances, 200, 300 and 600 yards, seven shots at each range. The 300 best scores are eligible for the second stage, which will bring them down to 100 for the final.

The N. R. A. bronze medal and N. R. A. bronze bar will be awarded the highest scorer in the first stage tomorrow. The shoot is the dominating feature and has been eclipsing every other matter of importance.

RACES CANCELLED

TOLEDO, O., July 14.—Grand circuit racing here was called off yesterday because of a heavy rain. The races will be resumed today.

Women Who Operate Their Own Gas Plants

Women who use coal or wood in their stoves, really cook with gas—but it's gas of their own manufacture.

They buy fuel in the raw (just as we do) and then endure drudgery, dirt, soot, smoke and ashes before they finally convert it into fire.

We take the raw fuel, treat it to recover valuable by-products, dispose of the useless residue and deliver the clean, useful element—gas fuel—direct to you through a pipe.

Millions of Canadian and American women have already junked their individual gas plants and have cast their fuel burdens on the gas companies. Other women are joining them at the rate of 400,000 a year.

The Ludicrous Adventures of a Beauty Parlor Barber

IT'S A COMEDY DRAMA WITH MENJOU IN A NEW ROLE, that of a small town barber who is an artist with the shears. He comes to New York to realize his dream of a fashionable beauty salon, becomes involved in a social fraud, posing as a titled foreigner, courts a beautiful society girl, and is exposed by a former manicurist from his home town, who once predicted he would never be anything more than a barber. How he wins the girl and accomplishes his visionary success is told with the humor and appeal so typical of Menjou.

ANGLO-AUSTRALIAN TEST ENDS IN DRAW

LEEDS, July 13.—The third Australia match between England and Australia has become history, the game ending this evening in a draw.

Thus the story of the second test match, but with the situation with respect to the teams altered, is paralleled. The former game at Lord's was decided in favor of England, but the latter encounter at Leeds was strongly to the advantage of Australia.

England was unable to avert the follow-on today, falling short by exactly 200 runs the total piled up by the Australians in their first innings. With this tremendous handicap the home country was required to continue at bat, the Australians hoping against hope that in the time that was left they might be able to dismiss England a second time before play ended. Unfortunately for them, this was not realized. Taught by the disasters of the initial innings, England became
