GREAT UPPOAR OVER VISIT TO NOVITIATE

Excitement Due To Semi-Political Aftermath—Officer Is Transferred

Guelph, Ont., June 21—A tremendous uproar among Protestants and Catholics alike has followed in the wake of the visit to the Jesuit novitiate on the night of June 7, by a force of military police in search of M. S. A. defectors. Public excitement is aroused to a high pitch by the semi-political aftermath that has developed.

When no report appeared in the local press following the descent by the military police on St. Stanislaus Novitiate, the ministerial association through its president, Rev. W. D. Spence, sent the following telegram to General McWorm in Ottawa:

"Protestant ministers of Guelph have learned from the authorities all details pertaining to the visit of the soldiers

to the Guelph Novitiate. We also learn that the censor has forbidden publication of the facts. We do not propose to submit to any such censorship and intend to have a public meeting and make known all the facts, expose the names and demand justice."

To this telegram General McWorm replied that he did not understand what was meant by use of the word censorship. Rev. Mr. Spence wired: "We mean that we want publicity of the facts that the censor is suppressing."

General McWorm replied to this stating that a full reply would be issued when the report of the provost marshal who was investigating had been received. That was a week ago yesterday.

Toronto, June 21—Captain A. C. Macaulay, who has acted as assistant provost marshal for the past fifteen months, and who was in charge of the raid by the military police on the St. Stanislaus Novitiate at Guelph (Ont.), on the night of June 7, has received notification from Ottawa that he is to be transferred to Winnipeg.

CROWDS LIKE NEW OPERA HOUSE BILL

Lots of Singing and Dancing but with Ample Variety

A good show was the popular verdict of those who saw this week's offering at the Opera House. Although the performance is overloading with songs and dancing still they are of such a variety that will be sure to please. Two large audiences proved by their enthusiastic applause last evening that the bill was fully appreciated and it is indeed some time since such a good all around vaudeville bill has been seen on the Opera House circuit.

The opening number is a particularly good one. Welton and Marshall, a lady and a gentleman, have a way all their own and their dancing was the feature of their act.

Doherty and Scilla in comedy songs, imitations, and a musical number, have a pleasing act. The male member is a clever and accomplished violin and banjo player.

Stewart, Delight and Hardy, two gentlemen and a lady, also offered a novel act. Their dancing was more of the acrobatic nature but still seemed to entertain. They have some clever jokes and altogether their act measures well up to the standard.

Lewis and Norton, in a humorous dialogue entitled "In Those Days" made a decided hit. Their jokes were clever throughout and well put over. The two had a particularly pleasing way of executing their dialogue and the lady member of the act seemed wrapped up in her part. Their act was one of the features of the bill and they were given a fine reception.

The vaudeville acts were brought to a close with the offering of the Trennell Duo in sensational athletic novelties. The act was short and pleasing the male member giving a fine exhibition of muscular strength.

The new serial The Lion's Claws is indeed an intensely gripping picture and
