

REPORT OF THE LADIES' AID SOCIETY.

The Ladies' Aid Society have to report that they have been enabled by the blessing of God resting upon their labors, to carry out the work assigned them by the constitution of the Society.

As will be seen by the Treasurer's Report, the greater part of our receipts were devoted to placing a Bath, &c., in the Manse,—thereby saving the Board of Management that expense.

The Society has taken upon itself the entire care—for the current year—of the *Poor* belonging to this congregation, and expect that all the Ladies connected therewith will join us in this worthy object.

Our membership is less than last year, but we are in hopes that we will be able to shew a large increase in our next report.

All of which is respectfully submitted.

HATTIE E. BELL,
Secretary.
