THE DOCTOR'S QUESTION

UGH SICKNESS DUE TO BOWEL DISORDERS.

A doctor's first question when consulted by a patient is, "are your bowels regular?" He knows that ninety-eight per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Reckall's Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchase money in every case when they fail to produce entire satisfaction.

Reckall's Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 50c. Sold only at our store—The Reckall Store, J. B. Gaylor.

## IN DYING CONDITION

When Found at Side of Road—Aged Woman Swallows Carbolic with Fatal Result.

Carbolic acid, evidently swallowed with suicidal intent, caused the death early this afternoon, of Annie M. Brown, a woman probably 70 years of age, at the home of Mr. Wm. McKee, Governor's Road near Ingersoll. Two Ingersoll physicians were summoned, and while they made fast time with their automobiles, the woman died before they arrived. A bottle partly filled with carbolic acid, found in the woman's clothing, told the sad story. At twelve o'clock Mr. Wallace Turner of Ingersoll, was driving along the Governor's Road. He saw Mrs. Brown lying by the side of the road and he went to her assistance. She was unconscious and he took her to the home of Mr. McKee, where she expired. In a purse which the woman carried was a considerable sum of money, in which were a number of twenty dollar gold pieces. The deceased resided in the district and was highly respected by her friends and neighbors. An inquest will not be held.

### GOOD REASONS

FOR DEMANDING THE ORIGINAL REMEDY, NEWBORN'S HERPESOL.

If you know it, you would not willingly accept counterfeit money. Instead, you would probably raise a disturbance and seek some means of redress.

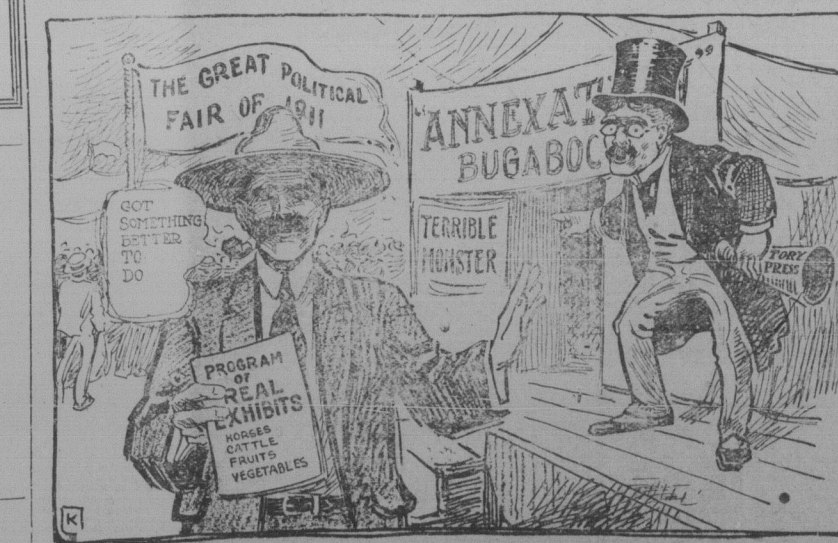

Why then accept a preparation said to be "just as good as Newborn's Herpesol"? You know it is a counterfeit and an imitation of the real thing. You want the original dandruff germ destroyer, Herpesol, and you can get it, too, if you insist.

Redress always possible in such an instance. The most effective method is to trade where you get what you ask for and no suggestions offered.

With the death of the dandruff germ the hair stops falling, and is permitted to resume its natural growth and beauty. Such results follow the use of Newborn's Herpesol. It stops itching of the scalp almost instantly.

A counterfeit article is never "just as good" Herpesol is sold and guaranteed by all druggists. Applications may be obtained at all good barber shops and hair dressers. Send life in postage for sample and booklet on the care of the hair to The Herpesol Co., Dept. R., Detroit, Mich. J. B. Gaylor, special agent.

Hear Hon. MacKenzie King Minister of Labor, discuss Reciprocity in the Ingersoll rink on Friday night, Sept 8th.

## OBITUARY

J. H. WATERHOUSE.

It was Abraham Lincoln who said the highest tribute one man can pay to another was to say of him he was a good neighbor. It is a simple thing to say, and but few words; yet those few words contain much when spoken with the knowledge and experience of one who has been a neighbor. It has been my privilege to say of the subject of this notice that I have lived in his neighborhood for many years, and during a brief period of eight years, and I can say of him with all the meaning that Lincoln put into the words, he was a good neighbor. It is nearly fifty-three years ago that Mr. Waterhouse first saw the light in the small town of Pudeley, Yorkshire, England, where his father was engaged in the woolen trade. After about thirteen years the family, except one sister, came off to Canada and settled in the town of Ingersoll, where Mr. J. H. Waterhouse spent the rest of his boyhood at school. On leaving school he joined his father in the purchase and operation of a woolen mill at Palmerston, where he remained but a very few years, his father having taken ill and died. Returning to Ingersoll, he joined his uncle, Bradbury, and took the management of his uncle's mill for about fifteen years. Eleven years ago this coming November, Mr. Waterhouse came with his family to this town and took hold of the woolen mill here, which he and Mr. Duffan purchased after the failure of J. H. Bradbury. Under his management the mill and the business have prospered, while his family have made a prominent place for themselves in the social life of the community. The deceased never knew an illness until the early part of this spring, when his health began to fail him. He consulted a specialist in Toronto and was advised to try his business cares and keep himself as quiet as possible. This he did at his own comfortable home in the north ward, but his ailment developed, and on the first day of July he was seized with a violent convulsion as the result of a hemorrhage on the brain. He partially recovered, but on Thursday last a second convulsion seized him, and he succumbed early Saturday morning, exactly seven weeks from the first attack. All this time he was nursed with the tenderest care by his family, to which he was greatly attached, as were they to him. The deceased leaves but one sister who lives at Leeds, England, his only brother having died in Toronto some time ago. His own family consisted of two daughters, Mrs. Brown (wife of Dr. Brown, L.D.S.) and Miss Pearl at home, and one son, John, at home. The funeral on Monday was a large one, and the display of flowers contributed by friends an eloquent expression of the esteem in which the deceased was held. To Mrs. Waterhouse and family, I know the best in the community extend their sincere sympathy. T. H. H.

## CANDIDATES MEET

On Platform at Dickson's Corners—Mr. Sutherland Got in Wrong Book For His Statistics.

There was considerable interest manifested at the meeting in the interests of Mr. S. Schell, the Liberal candidate, held at Dickson's Corners last night as the Conservative candidate, Mr. Donald Sutherland appeared as the opposition speaker. At his meetings Mr. Sutherland has been accusing Mr. Schell of quoting figures in connection with the trade between Canada and the United States which were misleading. At the meeting last night Mr. Sutherland reiterated his charge and produced a blue book to prove his contention. After a good deal of speechmaking and arguing Mr. Schell discovered in examining the book produced by Mr. Sutherland that it referred to the year 1911 while the figures quoted by Mr. Schell were for the fiscal year ending 31st of March 1910, those figures being the latest ones available when Mr. Schell's statement was prepared. In Mr. Schell's statement it was distinctly pointed out that the figures were for the fiscal year ending 31st March, 1910. The incident created a furor and when the discovery was made by Mr. Schell that his opponent was quoting from 1911 figures it was apparent that Mr. Sutherland was either ignorant of the fact or deliberately trying to mislead the electors.

Mr. Richard Sedon occupied the chair and addresses were also delivered by Dr. MacKay and R. A. Simister.

### Western Wheat Crop.

Winnipeg, Sept. 2.—It was estimated yesterday that half of Saskatchewan's wheat crop is cut. In Manitoba the percentage is even higher. Accurate estimates from Alberta are lacking, but most recent reports announce harvesting operations well under way. A large proportion of the oat crop has also been cut. Threshing on the Prairies has commenced and it is anticipated that the beginning of next week will find threshing pretty general. In the few places where grain has been threshed, it has been found to average from twenty to twenty-five bushels to the acre, but it is impossible to make any general estimate from this isolated returns. The 40,000 men required to handle the crop are now on the ground and it is anticipated that the yield will be handled without further damage from any direction.

### Child Maimed by Mower.

Ottawa, Sept. 2.—Leoda Lapointe, the three-year-old son of Wilfred Lapointe, a prominent farmer of Burbridge, Beauséjour Township, Que., was the victim of a terrible accident, resulting in his right foot being cut off just above the ankle. His brother drove a mowing machine upon him in an oat field.

### THE WEATHER.

Lower Lakes and Georgian Bay.—Moderate to fresh southerly to south-westerly winds; mostly fair and decidedly warm but some local showers and thunderstorms, chiefly at night.

Labor Day sports at Fairmount Park, Sept. 4th.—Amusements will be provided for which prizes will be given. Cheap rates to the Park will be issued for children under fifteen years of age for the low fare of ten cents the return. Two rides for five cents will be given on the roller ground. Cars will be run every half hour to and from the Park.

The pastor, Rev. C. J. McLean will conduct the services in the Baptist church tomorrow. Morning subject, "Christ's interpretation of Life," Evening subject, "Jesus the Helper."

The Methodist church, Rev. St. B. Christie, pastor, 10 a.m. Service of Prayer, Praise and Song, in the School Room. 11 a.m., the pastor, "Renewing our Strength." 2.45 p.m., Sunday School and Bible classes. 7 p.m., the pastor, "A Famous Race, and the Winner."

## THE BOY SCOUTS

Ingersoll, Sept. 1st, 1911. To the Editor of The Chronicle

Dear Sir—I have been attending the Toronto Exhibition ever since its inception, and as the years have passed away I have witnessed many long-to-be-remembered sights which have furnished me with ample food for reflections and as in turn I have looked with enraptured eyes upon the masterpieces of art lent to the Association through the kindness of the Old Mother Land, I have listened to the soul stirring music of those wonderful musical combinations which the Empire at its source is so well able to furnish, and then throughout the many buildings I have seen the marvelous products of Forest, Field and Farm, giving us a glimpse of what our Great Dominion can produce and yet I saw something on Tuesday last that filled me and thrilled me in a way I have never felt before. Marching past the grand stand and then massed in front of it I saw 4,200 Canadian Boy Scouts performing their evolutions with the precision of veterans and causing the vast crowd to rise to their feet and cheer again and again as they gave vent to their devotion to a sight so very soul inspiring. Not a single case of accident or sickness occurred during the day. No boy fell out of the ranks during the somewhat trying ordeal, at once a tribute to the sterling stock from whence they came and the invigorating climate which we all enjoy in Canada. The Scout movement has taken a firm hold of our people and right well it deserves to do so, its main object being to develop a boy into a good citizen, and so I say, hurrah for the Scouts. Yours truly, Joseph Gibson.

## GRAND LODGE REGALIA

PRESENTED TO VERY WOR. BHO. DR. COLERIDGE AT MEETING OF KING HIRSH LODGE A. E. & M.

At the regular meeting of King Hiram Lodge, A. E. & M. last night Very Wor. Bro. Dr. J. B. Coleridge, was presented with Grand Lodge regalia, he having been appointed Grand Junior Deacon of the Grand Lodge of Canada. The presentation was made by Bro. Rev. J. M. Perkins on behalf of the lodge. Bro. Perkins congratulated Very Wor. Bro. Coleridge on his appointment to the distinguished office and expressed the opinion that he would do credit to the position.

Reference was made to the fact that the office to which Bro. Coleridge had been appointed was the second highest in the gift of the Grand Master, a circumstance which reflects credit not only on Bro. Coleridge, but King Hiram Lodge and Wilson District.

Dr. Coleridge replied expressing his deep gratitude to the members of the lodge for their kindness. He also referred to the splendid work done during the past year by Past District Deputy Grand Master Right Worshipful Bro. Geo. Naylor, and pointed out that any honors that came to King Hiram Lodge and Wilson District were the result of energetic efforts in Masonic circles by the immediate Past District Deputy.

After the lodge meeting the members adjourned to Wilford, for a "parlor" where refreshments were served and half an hour spent in social intercourse.

## JOHN C. SMITH DEAD

PASSED AWAY SUDDENLY AT HIS HOME, IN HIS 71ST YEAR.

The death of Mr. John C. Smith a lifelong resident of Ingersoll, occurred suddenly at his home early last night. While it was generally known that Mr. Smith had been ailing for some time his condition was not regarded as serious. He was able to be around as usual. Last evening he hitched up his horse with the intention of going for a short drive. He walked to his house, when he was seized with a pain in his side and he expired at once.

The late Mr. Smith was in his 71st year and highly esteemed by a wide circle of friends both in Ingersoll and neighboring districts. He was survived by a widow, three sons and two daughters.

## \$25 AND COSTS

FINE IMPOSED FOR FURNISHING LIQUOR TO MAN ON INDIAN LIST.

In the police court yesterday a local man was charged with furnishing liquor to an "Indian List." He admitted giving the liquor, but denied that he knew he was on the list. Evidence, however, was given to prove that he did know the man was on the list, and that he had previously made a statement to this effect. A fine of \$25, and costs was imposed.
