IS HE THE MAN?
 Seeing the account of the St. Catharines jewelry robbery in the Planet, the quoniam at Tilbury yesterday arrested a man answering the description of the thief and communicated with Chief Cummings, at St. Catharines. Owing, however, to the fact that the suspect had none of the stolen goods in his possession, the Tilbury chief was instructed to release him. Chief Young was commingled with, but stated in view of the St. Catharines police's action it would be impossible to hold him although there would appear to be little doubt as to his identity.
