intended to repudiate its obligations in-asmuch as he said that the royalty would be increased on the leases and licenses. Hon. Mr. Fulton said that he did not say that was the intention of the govern contained shall authorize the taking of any part of any highway or public place n a city, or any city municipal prosay that was the intention of the government. He said that he thought that
would be the effect of the act.

Mr. Macdonald wished to know if the
Attorney-General meant to say that the
government had an intention different
from the effect of the act. (Laughter).

Mr. Oliver said he distinctly asked for
the intention of the government when the He thought that power should not be iven to appropriate public property in any city.

Hon. Mr. Fulton thought this was very drastic. He could not see much difference between expropriating public property and private property. This concerned the city of Victoria and he did not think it wise to introduce such legislation.

W. J. Bowser thought that care should be taken not to interfere with public billy without full consideration.

The amendment was lost, only the three

He thought this was making this a clear convertion there are no other association of the province of British Columbia.

their caprice as was conveyed by the fact that every applicant had to be approved of by the examiners in addition to passing the examination and being of good moral character. Hon. Mr. Young, Mr. Bowser and Mr. Mac-kay opposed any change, arguing that there was no special privileges given the board of examiners.

Mr. Macdonald moved to strike out

Any size or weight the words "approved by the board of examiners" and insert "of good re-

Later on, Mr. Oliver showed that the atroducers of the bill knew nothing bout the bill. He showed that it was proposed by two of the amendments to allow an apprentice to fill a prertified clerk, although the latter was

ot allowed to do this. Mr. Bowser became quite pompous and contended that he knew law and Mr. Oliver should not be expected to nterpret what laws meant.

Mr. Oliver said Mr. Bowser might

know all about law but he had no monopoly of common sense.

Finally Messrs Bowser and Mackay saw the weakness of the bill and proosed to right it by amendment. Mr. Hawthornthwaite said that apparently the introducer knew nothing about the bill and moved that the comnittee rise and report progress.

This was defeated and the amend-

nent of Mr. Bowser carried. The following section was objected to by Mr. Hawthornthwaite: or licensed under any of the Acts f the province of British Columbia in orce, regulating joint stock companies, shall sell or keep open shop for retailing, dispensing or compounding The motion to adjourn the debate vided in said chapter 27 and amend carried, all the government supporters ments, or sell, or attempt to sell, any voting for it in opposition to the solid of the articles mentioned in schedules Liberal vote and that of the Socialists. A or B to said chapter 27, unless majority of the directors thereof are Yeas-Messrs. Tatlow, Fulton, duly registered as licentiates of phar-sowser, Ross, Thomson, Hunter, Cot-Pairs—Messrs. McBride and Naden, McPhillips and Yorston, McGuire and Shall in any way interfere with or take part in the management and con

gists, in the province of British Col ferred by this Act shall be null and void."

Mr. Bowser said that this amendment had been turned down by the House in connection with all the other ratiway bills. It should not be introduced into this bill thus making it differ from the others.

Was defeated.

Parker Williams thought the bill was too complicated. The Attorney-General of the province had told the House in connection with all the other ratiway bills. It should not be introduced into this bill thus making it differ from the others.

Finally Mr. Williams thought the bill was shall, in respect to those shops actually being conducted by them at that time, be exempt from the provisions of this section, but such joint stock comply the bill the six months; hoist.

Finally Mr. Williams withdrew his offers and comply with all the other provisions of the section.

"Pharmacy Act" and Amending Acts He could not see why any company should not be allowed to enter into the drug business and employ a qualified man to handle it. Mr. Oliver wanted to know what the
