City Council Asked for a Grant to Carry on Campaign.

Although the city council guaranteed to finance the Tourist Association until the end of this month it is not likely that the civic treasury will be called on for one cent. By the good management which has always marked the handling of the association's funds,

—City Treasurer Kent, it may be rehear Tom Richardson. marked, holds the purse-it is possible to weather the month out. The wonder is that the association was able to do all the work it did for the city last year on a grant of \$4,000, of which his time to it, must be engaged. nearly one-quarter had to be paid out to meet expenses incurred in the pub-

At a meeting of prominent citizens meeting for Monday afternoon, who compose the executive of the association, held Tuesday in the rooms on Fort street and presided over by Mayor Hall, it was determined that the work should not be abandoned without making another appeal to the ouncil for a grant. That the majority of the ratepayers who voted adversely on the referendum did so under one form of misapprehension or another was the view of the meeting, and several instances were given. On the other hand two or three cases were given of men who had been going to vote "nay" until they were informe of the true facts of the matter and of the good service the association was Three Blocks Wiped Out at Is-

How Matters Stand. A report on the present position of the association was presented by the honorary secretary, John Nelson, to the

"As you are aware the rooms of the association have been continued since place in Cumberland last night. The the first of January as the result of Grant & Mounce and the Campbell a conference which we had with the blocks were completely destroyed. The city council early in December, when loss will be in the neighborhood of \$50, we notified them that we would not be | 000. able to continue operations with the money at our disposal, after the end his room in McNiver's boarding house. Phenomenon Was at First New York World Must Defend Important Matter Before Anof December, and when we were asked by the council to continue the organization during January till their suction the december, and when we were asked by the council to continue the organization during January till their suctions of a lamp in Scott's room cessors had taken office, the council at the same time agreeing to finance the BODY EXHUMED IN

"The result of the referendum submitted to the citizens at the time of the mayoralty and aldermanic ele tions having been adverse to the grantof calling you together so that its business may be properly wound up. There is still a considerable amount of money owing the association on account of sub-leases, and some small accounts are still outstanding for advertising in the winter time in two or three of the old country papers. Matters are in feport of the treasurer, we feel sure that we will be able to close up our business without any indebtedness to be taken care of by the council, even though we have over-run the time of which we gave notice when we felt that we could assure the council that we care exhaust and J. D. Sharp, on a charge of having murdered extu. S. The referendum vote having been adverse, it remains to be seen whether the city council and private subscribers are prepared to take the action necessary if Victoria is to obtain even a small share of the lucrative traffic in ques-

"With this meeting I wish to be releved of the duties of honorary secreary, and to thank the members of the board for the loyalty and enthusiasm which they have brought to the work of this organization. Their efforts, I feel sure, are appreciated by all who have means of knowing how zealously importance to the city."

There was considerable discussion as should be done, the meeting being unnimously of the opinion that the work of publicity must go on if Victoria is not to be left high and dry. It was pointed out that Vancouver is working strenuously to get the crowd from the seattle exhibition, helped by the direct route and the cheap fare. Against this Victoria, at the other corner of the way this could be done, it was felt, was by advertising abroad the city and what it has to offer, and by maintaining a properly-organized publicity burneighboring cities are doing in view of the influx of visitors to Seattle it was mentioned that Portland has already sent out six tons of advertising

point-blank question if he was in favor

"Personally I am in favor of a grant, for this year at least, and I know several of the aldermen are also," replied his worship, "I feel that we should spend something to bring these people here. Three million visitors are expect-ed in Seattle and we should get at least half a million of them here if we let them know we are alive."

Will Ask for a Grant.

C. H. Lugrin moved that the association begin a campaign of publicity, that a grant of \$7,000 be asked from the city uncil and that an appointment with that body at the earliest possible opportunity to discuss ways and means

Simon Leiser, president of the Board of Trade, seconded this and it was

DISASTER ON LAKE MICHIGAN

MANY DROWN ESCAPING FROM BURNING CRIB

Probably 20 Lives Lost-Tug Brings 26 Injured Ashore.

Chicago, Ill., Jan. 20.-It is reported that 20 men were downed in attempting to escape from a fire which destroyed one of the intake cribs in Lake Michigan, off 73rd street to-day.

Kenora, Ont., Jan. 20.—George F. The crib is one that was established ohnson, who killed Mrs. Ackerman in by the George W. Jackson Company, contractors, and is a mile and a half out in Lake Michigan, and connected ing "Just as I Am" before the drop was with the shore by an aerial tramway. pulled by a man named Thompson from Early reports stated that nearly sixty Owen Sound. Radcliffe was unable to men were working in the crib when the fire broke out.

The tug Morford, in charge of Capt. Johnston, was stationed at 'the crib, and some of the workmen, many of whom were suffering from burns, were taken aboard the tug and brought to the city. The fire boat Conway was at once sent to the scene from South Chi-

The first notice that the fire broke ut came in a 'phone message to the offices of the Jackson company on the shore. The message read: "The crib is on fire. Send help at once or a dozen or more of us will be burned alive."

Then the 'phone wire burned off and he men on shore heard no more. The tug Morford reached shore with 26 injured aboard. John Wampole, one of the men res ued by the tug, stated that probably

20 and possibly 35 men lost their lives in the fire or in the icy waters of the lake. It was possible he said that there were 15 men working in the tunnel who might have escaped, although their Three shifts of men were working on

the crib. Through the cold months the short way off while workmen were leaping into the icy water and swimming to the tug's side. The crib is constructed with wood, with the exception place, and the flames spread rapidly.

Twenty-three Victims. Chicago, Ills., Jan. 20.-(Later.)-Twenty-three men lost their lives toimmersion in the icy water, into whch they jumped to save their lives, were rescued. The statement of casualties was made by George W. Jackson, tunnel-under the lake and for which

the crib served as a base of operation. In the bore, sixty men, twenty of them at work in the tunnel under the crib, a few moving about structure, We who were not killed or injured by the first fiery blast rushed out of doors to find no means of escape. On every side were the waters of Lake Michigan. A nile and a half distant, near the shore

lay the tug Monford, The last word received from the crib was tragic in its incompleteness. "The Abbott Lawrence Lowell as president crib is on fire; for God's sake send help

or we will be burned alive."

Then the telephone wire broke and the men on shore heard no more. The tug immediately started to the rescue. From the deck of the boat it was see that many of the men were seeking to escape by swimming. Some of them clung to cakes of ice for a time, and then disappeared. The tug was finally able to get aboard forty-five men

many of them injured. The crib is a temporary structure erected in the construction of a new three-mile tunnel into the lake for the ultimate purpose of adding to Chicago's water supply. It was used as the headquarters for supplies, and sleeping quarters for the men. Ordinarily about seventy-five men were employed. They worked in shifts of eight hours each, eating on the premises and sleeping the bunks with which the place is pro-

A telephone message from a neighoring crib at 1 p. m. said that twenty bodies had been recovered from the tunnel.

SUICIDE AT PORT TOWNSEND.

Port Townsend, Jan. 20.-George Lang, a bartender in the Bayview . committed suicide this morning at 8 o'clock by shooting himself in the head. The cause of the tragedy, it is said, was a quarrel with his sweetheart, Roma McDonald, No inquest will be held.

FAMILY CREMATED.

Winnipeg, Man., Jan. 20.-Mrs. Ingles and four children living on a farm near Lang, Sask., were all burned to death last night.

APOLOGISES TO GERMANY.
