HOW AN AFFLICTING ANNUAL VISITOR WAS DRIVEN FROM A WEARY WOMAN. Plain and simple mechanics are no liable to get out of order. Complicated liable to get out of order. Complicated watches, intended not only to keep the time of day, but to mark the movements of the moon and stars, are certain to need frequent repairs. Husbands and fathers often fail to see that their wives and daughters are more delicately organized than themselves, requiring corresponding care when they are well and assistance when they are well and assistance when they are well and assistance when they are ill. Yet much better for woman's fine system is a trustworthy medicine, ready at all times for use, than a deal of tinkering by semi-educated local practitioners.
