**SPORTING MATTERS**

**CAPT. E. A. SMITH ONE OF FIVE NEW BRUNSWICKERS IN SECOND STAGE OF THE GOVERNOR-GENERAL'S MATCH**

OTTAWA, Aug. 29.—Another day of ideal weather and great scoring was enjoyed by the competitors in the Dominion rifle meet at Rockcliffe range today. The Maritime Provinces showed up well in the first stage of the Governor-General's match. Nine Nova Scotians, five New Brunswickers and one shot from P. E. Island, were among the first 150 in this stage and have secured places in the second stage, for the Governor-General's prize, the plum of the meet. The New Brunswickers who qualified are Mr. Carter of Moncton; Captain Forbes, Chatham; Corp. Deagle, Chatham; Capt. E. A. Smith, St. John; and Pte. Curtis, Woodstock. The Truro marksmen are shooting remarkably well, five of them qualifying for second stage of the Governor-General's match.

**CANADA WILL GET BEVERAGE CUP**

At a meeting of the sailing committee of the R. K. Y. C. last night the protest entered in the Beveridge cup race was allowed and the Monday distance was cancelled. After hearing the evidence it was decided that Mr. Frodsham's boat had technically fouled the stakeboat. The Monday had won the race on the time allowance, but the cup will now go to the Canada.

**THE TURF RACE TRACK FOR MIDDLETON.**

Men are now at work building a race track at Middleton. This is to be a regular half mile track, forty feet wide and fifty feet wide on the home stretch. The shape is elliptical, the turns being at the southwest and northeast extremities. The grading is to be completed in about three weeks, and some time in September horsemen will probably have an opportunity to test the new track. The ground where the track is being built is as level as a floor, and experts say the soil is excellent for the purpose.

**Queen's Rollaway**

The announcement that the Queen's Rollaway was to roll next week was welcome news to roller skaters who have been long waiting for the good news. The rink is now being thoroughly cleaned and every pair of skates is being put in first class order. Notice should be taken of the fact that speed skating will not be tolerated. "Speeding" was tried once, and it was soon proved that it was a failure. There is a vast difference between an enjoyable skate such as the majority prefer and the speed limit which is preferred by the minority, so that in this case the majority will rule. Due notice of the opening will be announced through the papers. Watch for it.

**SHIPPING.**

Domestic Ports.  
HALIFAX, Aug. 29.—Ar'd, str City of Bombay, from Glasgow and Liverpool via St. John, N.F.; Soko, from Montreal.  
Cid, schs Havana, from New York; Utopia, from St. John, N.F.; Soko, from Montreal.

**WOULD STOP NEW WORK FOR PRESENT**

Stringency of Money Market and Scarcity of Labor the Reason  
Treasury Board Will Recommend to Council That a Halt Be Called in Construction in All Departments  
The Treasury Board last night decided to recommend to council that the new construction work of the various departments should be stopped on account of the stringency of the money market and the uncertainty of the labor supply. The board heard private security of men. The only good men he was able to get now were the Plasmac men. These still keep up the reputation of the department.
