13 mm - 310-SEMI-WEEKLY SUN, ST. JOHN, N. B. JANUARY 25, 1902. ried on not only in England but throughout Europe. Europe was ready to second the efforts of Austria, and Germany and Russia maintained a passive attitude. Great Britain was at first disposed to sign the proposed note, but after a confidential report from Washington, declined either to sign such a note as the Austrian ambassador proposed or to take any further steps. Afterwards Austria and France made direct representa-tions at Washington, but ceased their efforts after the declaration of war, whereafter they relied on the efforts of the Pope, who was backed by the tacit approval of all the powers. sons, C.
