of Friday, ont of 95 knights of shires returned, 30

We are glad to hear from a counts of the state of the cupps. do much to relieve the distress country, and the beautiful weat enced for the last two weeks, part of a bountiful Providence, sufficiency of "food for the sow sater." We never remember to continuance of the true harves now enjoy in Nova Scotta.—II.

The accounts from the Country of the sow of the sow

Horstelle Cincurstance.—
isville Journal, dated August 25
ved this morning, informs us th
a shooting match in St. Francis
a rencomiter took place between
John Crothers. A son of the lat
seeing Rachels aboutto shoot bi
fired at him with a rifle, but mission of the lat
his own father! Young Carother
doubly infuriated, and Rachels i
bis escape, but C. wreeched a
of a by-stander and shot him the
of the body, inflicting, it was
wound! He then surrendered I
authorities.—American paper.

Masters of vessels do not any

Masters of vessels do not app awase that by the provisions of men's Act, as it is called, now in that the ship's Articles should be as well as by the seamen. If the to sign the articles, not only an against the sailor, in case of disp is subject to a penalty of ten peach and every seaman he takes wanting this necessary voucher, by been tried in the Court of Vicity, in which, under such circled the scamen could not be they had severally signed, but had omitted to place his signatu.
