TRIBUTE PAID TO MEMORY OF LATE CITY RECORDER

Common Council Assembled in Special Session on Saturday to Adopt Resolution--Mayor Frink and Ald. McGoldrick Speak in Eulogistic Vein--Law Society Passed Resolution.

Attended by members of the common council, the St. John law society, the Independent Order of Oddfellows, the Loyal Orange Association and a large concourse of citizens, the late Hon. C. N. Skinner, city recorder, was borne to its last resting place Saturday afternoon. A short service was held at the family residence at 10 o'clock, Rev. G. A. Kuhring, rector of St. John (stone) church officiating.

The funeral procession was then formed and proceeded to the grave. The city fathers in mourning garb headed by the city marshal, T. F. Coughlin, led the procession, followed by the members of the law society. Behind the hearse, attended by the mourners, marched the members of the Oddfellows and Orange orders, and Col. H. H. McLean who represented Lieut. Governor Tweedie and walked with Senator Ellis.

A large number of citizens from all walks of life had gathered to witness the funeral. Rev. G. A. Kuhring conducted the service at the grave while the large concourse of citizens stood with bared heads.

At 2.30 Saturday afternoon the members of the common council, garbed in mourning, assembled in the council chamber to pay their tribute of respect to the memory of the late city recorder. After calling the meeting to order, the mayor made a formal announcement of the death of the recorder, and in a few fitting words gave expression to the feelings of sorrow aroused by the loss of a man who had not only been connected with the government of the city for many years, but had played a conspicuous part in the public life of the province and of the Dominion.

"In the death of Recorder Skinner," he said, "the city has lost a fine and good adviser and the members of the council and a host of citizens, a sincere personal friend. The Hon. Mr. Skinner was not only famous for his forensic eloquence and ability, but in his profession, he was a man who by virtue of his public acts and private character, brought honor and dignity to the City of St. John."

Resolution Adopted.
Ald. McGoldrick the senior member of the council, then arose and moved the adoption of the following resolution:

Whereas His Worship the Mayor has formally announced to this common council the death of the Honorable Charles Nelson Skinner, Esq., K. C., D. C. L., who, for nearly sixteen years has filled the honorable and responsible office of recorder of this city and was for many years a member of this common council; and

Whereas the deceased gentleman has through a long life, marked by great industry and activity, been called to fill many positions of importance, political and social, which have brought him in close contact with the people of this city and province during several generations; and

Whereas his career in the legislature of this province during the period immediately preceding Confederation and in the Parliament of the Dominion many years afterwards, brought him into vital correspondence with much that has been of importance in the history of our country while in the field of his chosen profession his experience of upwards of half a century of active practice at the bar stands almost unparalleled; and

Whereas his kindness of manner, his ready sympathy and his spontaneous though unostentatious charity have endeared him to many while his mastery of public questions and his interest in the success of his native city have caused his counsel to be sought in matters of great importance to the community;

Therefore resolved that this common council place on public record their sense of the loss which the community has sustained by his death and their sympathy with his widow and family in their personal affliction, and further

Resolved that a copy of this resolution be forwarded to the widow and family of the deceased.

Ald. McGoldrick's Tribute.
In speaking to the motion, Ald. McGoldrick said he deeply regretted the duty he had to perform. He had during his long connection with the council been associated with the late recorder in various ways, and he had always found him a courteous gentleman, and a sound advisor, ever anxious to serve the interests of the city and citizens. When a man of such distinction passed away the citizens generally experienced a deep sense of personal loss.

Ald. Christie seconded the motion. The resolution was then adopted by a standing vote, and an adjournment was made to attend the funeral in a body.

Those present besides the mayor were Ald. Christie, Sproul, Hayes, Scully, Baxter, Smith, White, Russell, Wilton, Willet, Jones, Likely, with the common clerk, the city marshal and the chairman of the Board of Assessors.

Law Society on Record.
The St. John Law Society met Saturday morning in the Law Library, A. A. Wilson, K.C., presiding, and unanimously adopted the following resolution in connection with the death of Hon. C. N. Skinner, D.C.L., K.C., moved by Silas Aldward, D.C.L., K.C., seconded by Arthur C. Fairweather, K.C.

Whereas the Saint John Law Society has learned with deep regret of the death of the Hon. Charles N. Skinner, D.C.L., K.C., late Recorder of the City of Saint John, an active member of the society since its formation, and a well known prominent citizen; and

Whereas, this society recognizes the great loss it has sustained by the death of Mr. Skinner, who always took a deep interest in its welfare, and who for over a quarter of a century was a member of the council and a past president; and

Whereas, he has for over fifty years been a barrister of the Supreme Court of the province, and since his admission to the Bar, has practiced his profession with great skill and

success, in the city of Saint John, holding the position to the last as one of its recognized leaders; and

Whereas, in addition to the faithful discharge of the many duties of an exacting profession, he found time to take part in public affairs, not only as a member of the Common Council of his native city, but in the Legislature of the province, and in the larger arena of the Parliament of Canada, occupying a prominent position in all those places of trust, by his legal acumen, varied knowledge and ready, incisive powers of speech; and

Whereas, by his courteous bearing, and kindly, generous nature he will long be remembered by members of his profession, as well as by the public at large; therefore

Resolved, that this Society place upon record the foregoing expressions of an indication of their regard and esteem, as well as a sense of the loss sustained; and further

Resolved, that a copy of this resolution be forwarded to his widow, with expressions of sympathy and regret on the part of the members of the St. John Law Society.

Dr. Alward in moving the resolution, paid an eloquent tribute to the late Mr. Skinner. Mr. Fairweather also made feeling reference to his long career and his ability. D. Mullin, K.C., also spoke briefly to the resolution.

After the resolution had been passed, it was moved by Hon. J. D. Hazen, K.C., and seconded by M. G. Teed, that the members meet at the law library rooms at 2.30 to attend the funeral. Both speakers briefly gave expression to their personal regard for the late recorder.

The resolution was unanimously adopted and J. H. A. L. Fairweather and Power S. Smith were appointed marshals.

WORKING MEN OWE TRAMPS GREAT DEAL

Speaker at Socialist Meeting Points Out Menace of Unemployed Returning to Work--Race Suicide in St. John.

F. Hyatt was the principal speaker at the meeting of the Socialists last evening, when he pointed out the "Social Pests of Society." Tramps, he said, were one of these pests. It was estimated that there were 150,000 tramps in Canada and the United States. Tramps were often discouraged workers. Some times a man had to work so hard he got disgusted with work. The bosses always preferred married men—they couldn't kick over the traces. But in most cases there was a man who had grown discouraged looking for work. It was often useless to tell a tramp to go and get a job.

There were few jobs going a-begging. On the whole it was rather fortunate that there were 150,000 tramps in America. The labor market was relieved to that extent.

Tramps worked hard enough walking. Often they walked 30 miles a day. Some people did not count that work. But when he was in the army he thought a march of 20 miles a jolly good day's work.

The speaker gave an account of his experiences in a tramp in Alberta where he said, you met hundreds of tramps walking the ties. If these tramps began to look for jobs, wages would be cut, and many people driven into the unemployed army.

In the discussion that followed the low birth rate in St. John was referred to. It was claimed that this was one of the evidences of the suicidal character of capitalist society—that capitalism had not only reached a stage of development where trusts and combines were formed for the purpose of restricting the production of goods, but now began to restrict the production of population.

Duncan McLean said he read that there were 4,000,000 men in the United States tramping around looking for work.

The chairman said the Socialists in the United States polled 1,500,000 votes at the last election, while in far off Finland the Socialists polled 45 per cent. of the total vote.

Ald. Potts occupied a front seat in the hall.

To Montreal in Early October.
With richly wooded Mount Royal in its beautiful autumn tints the magnificent stores brisk with fall trade, the theatrical and concert season at its best, and that contagious snap in the air so peculiar to the Canadian climate in early October, no more ideal season could be selected for a trip to the Canadian metropolis. The hundreds of satisfied passengers who are now returning to the Maritime Provinces from the September excursions and encharistic congress will, no doubt, prove good advertisers no doubt, prove good advertisers mediums for the People's Railway. And when it is taken into consideration that the rates quoted are less than single fare for the round trip, from all points on the Railway in the Maritime Provinces it should certainly provide another opportunity for the intercolonial to demonstrate its excellent facilities for transporting a large number of people from St. John to Montreal, and no doubt it will, October 1, 3, and 4, are the going dates.

Whereas, the People's Railway, with a return limit leaving Montreal not later than the 18th, and it would be advisable to make early application for sleeping car reservations on those popular trains, the Ocean Limited and Maritime Express.

REV. GORDON DICKIE LECTURES TO BOYS

St. Stephen's Scots Cadets in Fine Turnout at Church Parade Last Evening--Right Kind of Military Training.

At 6.30 o'clock last evening the members of the St. Stephen church cadets assembled the Y. M. C. A. rooms on Hazen Avenue in charge of Col. Buchanan and headed by the Caledonia Pipe Band they paraded down Prince William street to King up King to Charlotte, thence to Coburg and down Garden street to St. Stephen's church, where a sermon was preached to them by the Rev. A. Gordon Dickie.

The young soldiers presented a very favorable appearance in their neat little uniforms and their marching was highly commented upon.

Military training in modern life, was the subject chosen by Rev. Mr. Dickie, the text being, Let every soul be subject to the higher power, from Romans 13:1.

What the average man needed today, he said, was discipline without the disposition of the soldier. He should be brave, not brutal; strong, yet tender, with an outlook always on the higher life. As a matter of fact this had been the idea of the great leaders in the history of the world. The 19th century the Christian world saw no greater soldier than Charles Gordon, and Gordon as a man saw God from day to day.

Gen. French, who was the great driving power of the South African War, was a man who served under God. Gen. Baden-Powell whose resourcefulness aroused the world's admiration had given his life for the welfare of his fellows.

The message to be taken from these lives was, Be strong; quit you like men.

Fighting at best was but a side issue of life, for there are those who would have us believe that that it is by this means that we get our bread and butter. For these people there are always wars or rumors of wars in their neighborhood. When they cannot have the genuine article, they must look for the pictures.

Men who fight all the time and gloat over it become as big a nuisance as those who drink all the time and are quite as useless to society. Not to dispose of the ills of society but to display them, this class were quite willing to glory in the nation's shame.

There should be quite enough fighting in the ordinary course of life to satisfy the most enthusiastic. Justice cannot always be had without a great struggle.

INDEPENDENT LABOR PARTY SUGGESTED

Formation of Trades and Labor Council Here May Mean New Element in Civic Elections.

Since the inauguration of the movement to revive the Trades and Labor Council, there has been a good deal of talk in labor circles regarding the advisability of organizing an independent labor party, such as exists in Montreal, Toronto and many other cities. This party, it is said, would be an organization distinct to a certain extent from the Labor Council, but working in conjunction with it.

It is claimed that such a body, backed by the Trades Council, would hold the balance of power and could oblige the city council to abolish the property qualification for aldermen and pave the way for the election of workmen.

Eucharistic Congress and Big Bill at Nickel.
The announcement that the Nickel is to show the first motion picture of the great Eucharistic Congress at Montreal has aroused a great deal of interest, particularly among the people of the Roman Catholic church, as this series of magnificent ceremonies was not only of great spectacular worth, but marked an epoch in the history of the church in this country. There will be 1,000 feet of film, showing the procession of children 30,000 strong, the High Mass in Fletcher's field, the procession of the Holy Sacrament and close views of the visiting prelates and the hundreds of thousands of onlookers. The doors of Nickel theatre will be opened at 1 o'clock, and parents are advised to let their little ones see the pictures in the afternoons, as the evenings will surely be crowded occasions. Accommodations for over 250 people will be made on the large stage where the pictures can be clearly seen. In addition to the Eucharistic Congress picture the following programme will be put on--"A Summer Idyll" (Biograph); "The Attack on The Mill" (Edison); Mr. J. W. Myers in a late picture ballad and the MacBrady Children. The Nickel orchestra will give the religious film special setting with such numbers as: Gloria from Mozart's Twelfth Mass, Adagio Fideles and a paraphrase of "The Palms."
