His Gun Exploded at a Charivari Given a Road Maker.

Moncton, Nov. 22-(Special)-A man named Herbert McDonlad, ploye of the I. C. R. blacksmith sho with a severe accident while takir in a charivari at Cherryfield, near ton, Wednesday night. A heavily musket burst in McDonald's hands, b ing off his thumb and badly lascerating left hand. The hand will be saved uni-complications set in, but McDonald will be maimed for life as the result of the

E. J. Murphy, who has charge of th road making machinery operating on the road leading to Fox Creek, was banquetted at the Hotel Minto last night by about 40 of his friends, prior to his departure for st. John, where he is to be married on Monday.

Work on the road construction is being Work on the road construction is being carried on by the local government under Mr. Murphy's supervision and scon to be suspended for the season, on account of the approaching winter. About one-fourth of the proposed road making by the gov-ornment on Eva Greek road has been ernment on Fox Creek road has been completed and the balance will be finished next spring. The people here are well pleased with what has been done. The The men in charge of the government road making machinery have done excellent work and a good deal of improvement to roads throughout the province by the local government is had by people of this section by the substantial character of the road made here.
