To whom it may concern—and that is
nearly everybody—This is to certify that
I have used Coutts & Sons' "Acetocura"
on myself, my family, and hundreds of
others during the past fifteen years for
headache, toothache, rheumatism, sciatica,
sprains, cuts, boils, abscesses, scarlet fever,
chills and fever, and also with good suc-
cess on myself (as I was able) in an attack
of yellow fever. I can hardly mention all
the ills I have known its almost magical
power in curing, such as croup, diarrhoea,
biliousness, and even those little but sore
pests to many people—corns. The trouble
is with patients, they are so fond of apply-
ing where the pain is—and not where
directed, at the nerve affected. And the
trouble with the druggists is that they
also want to sell "Something just as
good," which very often is worse than use-
less.

Wishing you every success in your
new establishment, and that a more en-
lightened public may appreciate the
blessings of your Acetocura, is the fervent
wish of Yours truly,

CAPT. W. M. SOMERVILLE,
Late of U.S. Engineer Service, and former-
ly of the Marine Department, Canada.
To Coutts & Sons, 72 Victoria St.,
Toronto.
