A GREAT TRIUMPH.

Read the following letter from one of our most respectable citizens:

Messrs. Devins & Bolton, Druggists, Notre Dame Street, Montreal:

Gentlemen,—Having suffered severely for four years from palpitation of the heart and frequent attacks of fever and ague, with loss of appetite and great pain after eating, attended with weakness and gradual wasting away of body, I was induced to try BRISTOL'S SARSAPARILLA, and found from the first bottle considerable relief, and before I had finished the sixth, found my malady completely removed, my appetite good, and my body vigorous and strong. I feel it my duty gratefully to acknowledge my cure, and to remark I had previously been under the first physicians in Toronto, Chicago, Cleveland, and Toledo, without receiving any permanent or even satisfactory relief.

Yours, gratefully,

ALFRED TUCK,

Montreal, C.E., Oct. 20, 1858.
S. W. Fowle & Co., Boston—Gentlemen,—Having
experienced the most gratifying results from the use
of Dr. Wistar's Balsam of Wild Cherry, I am induced
to express the great confidence which I have in its
efficacy. For nine months I was most cruelly affect-
ed with a severe and obstinate cough, accompanied
with acute pain in the side, which did not leave me,
summer or winter. In October the symptoms in-
creased alarmingly, and so reduced was I that I
could walk but a few steps without resting to re-
cover from the pain and fatigue which so slight an
exertion occasioned. At this juncture I commenced
taking the Balsam, from which I found immediate
relief, and after having used four bottles I was com-
pletely restored to health. I have used the Balsam
in my family and administered it to my children with
the happiest results. I am sure that such Canadians as
use the Balsam can but speak in its favor. It is a
preparation which has only to be tried to be acknow-
ledged as the remedy par excellence.

Your obedient servant, L. J. RACINE.

CURE FOR WHOOPING COUGH.

St. Hyacinthe, C.E., Aug. 21, 1856.
Messrs. Seth W. Fowle & Co., Gentlemen—Several
months since a little daughter of mine, ten years
of age, was taken with Whooping Cough in a very
aggravated form, and nothing we could do for her
seemed in any way to relieve her suffering. We at
length decided to try a bottle of your Dr. Wistar's
Balsam of Wild Cherry. In three hours after she
had commenced using it, she was greatly relieved,
and in less than three days was entirely cured, and
is now well. I have since recommended the Bal-
sam to many of my neighbors, who have used it, and
in no case have I known it fail of effecting a speedy
cure.

You are at liberty to make any use of the above
your Balsam I shall be glad, for I have great con-
fidence in it.—Yours,
