

Electric Service

Means comfort, convenience, economy and safety.

The home that is completely equipped with electrical devices is a happy one.

All the drudgery of house-keeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.

Live Under the Old Flag

Not merely the flag that "braved a thousand years the battle and the breeze"; but the flag that stands for liberty to every man, for freedom of the home, for the joy of democratic living.

A FLAG FOR EVERY HOME

Living under the British or the Canadian flag does not mean merely the flag on the Town Hall, the Parliament Buildings and the Armouries. It means the flag directly over your door. Lots of people live under the flag that is owned by somebody else. They imagine that a flag must have a flag-pole on the lawn or on the roof. But the flag for every home means a flag that can be flung from any window, verandah-post or gable.

Believing this, THE CANADIAN COURIER has arranged to supply to its readers, suitable home flags at the moderate prices quoted below.

These flags are Made-in-Canada, and their wearing qualities are guaranteed by THE CANADIAN COURIER. They are cheap enough for the most modest purse and good enough for the wealthiest home.
