## MUNTZ Car Stereo

### IN-DASH or UNDER DASH

Talk about selection... your Muntz Centre is headquarters for the greatest values in quality car stereo. They range from super-miniature compact models to in-dash units that combine 8-track or cassette players with AM and FM Radios. All models pictured on this page carry the famous Muntz Warranty — one full year on both parts and labour.

- MODEL 430**  
A good quality set that's especially strong in the middle sound range. Compact, with many features for a money-saving price.
- MODEL 880**  
More features, more sensitivity, with strong base response. Integrated circuitry, automatic channel changing, handsome styling.
- MODEL 431**  
"Punch" sound control boosts bass at low volume settings. Accepts FM Tuner Cartridge for instant FM Stereo entertainment. Great middle and bass range reproduction.
- MODEL 651**  
A Cassette player with AM Radio for in-dash installation. Two hour continuous playing time, with automatic reverse. High quality, vibration-proof.
- MODEL 607**  
8-Track with AM Radio for in-dash. Accepts FM Tuner Cartridge for FM Stereo entertainment. High quality and outstanding sound reproduction.
- MODEL 608**  
Stereo cassette player with built-in FM/MPX Radio. Automatic reverse gives you two hours of continuous tape entertainment. Separate monaural and stereo switch.
- MODEL 650**  
Everything you want; 8-track PLUS AM radio PLUS FM/MPX Radio. Stereo indicator light, integrated circuitry, outstanding value and quality.
