

Beavers defeat Mt.A at meet

by Kelly Craig

Over the past weekend the Beavers swim team held a dual meet at the SMA pool. They played host to the Mount Allison womens team. The women totally dominated the meet as they easily defeated Mount Allison.

It was a total team effort for the Beavers as they had swimmers in the top spot in all the races. Their relay team of Daina Petey, Krista Daigle, Tina Tector, and Meaghan Seagrave easily came up with a win in the 400m medley relay. They finished with a time of 5:10.56. The 200m freestyle was dominated by the UNB team as Timley Lynch won the event and Tanya Pitt came in second. Lynch came across with a time of 2:20.03.

It was a great weekend for Meaghan Seagrave as she won the 50m freestyle event as she was also a member of the medley team. Meaghan has been a solid performer for the Beavers thus far. Her talent with swimming is incredible and definitely will contribute to the team over the season. Charlene Burrill came in second in the 50m event and Daina Petey of UNB came up third.

Angie Pickles picked up a win in the 400m individual medley race with a time of 5:40.08. Her

closest competition was Kirsten Midgley with a time of 6:07.36. Krista Daigle, who has been enjoying a tremendous season thus far, won the 800m freestyle event. In the 100m butterfly event UNB placed first and third with Timley Lynch again showing her technique and finishing with a time of 1:40.44 just ahead of Heidi Longshore and Jennifer Wright.

Tina Tector is making her mark on the team this year as she was not only a member of the winning relay team but also came up with a first place showing in the 100m freestyle event. Tina is not as well known as such veterans as Krista Daigle and Angie Pickles, but has been a member of the Beavers for quite a few years. Charlene Burrill of Mount Allison came in second in this event.

Angie Pickles and Krista Daigle dominated the 100m backstroke event as they placed first and second respectively. The only event that Mount Allison edged UNB out of first place in was the 400m freestyle. Jennifer Kirch enjoyed a comfortable lead over the second place UNB finisher Jennifer Wright. Tanya Pitt came up with third in this event.

Meaghan Seagrave will also be a major factor for the Beavers this season as she won the 100m backstroke event with a time of

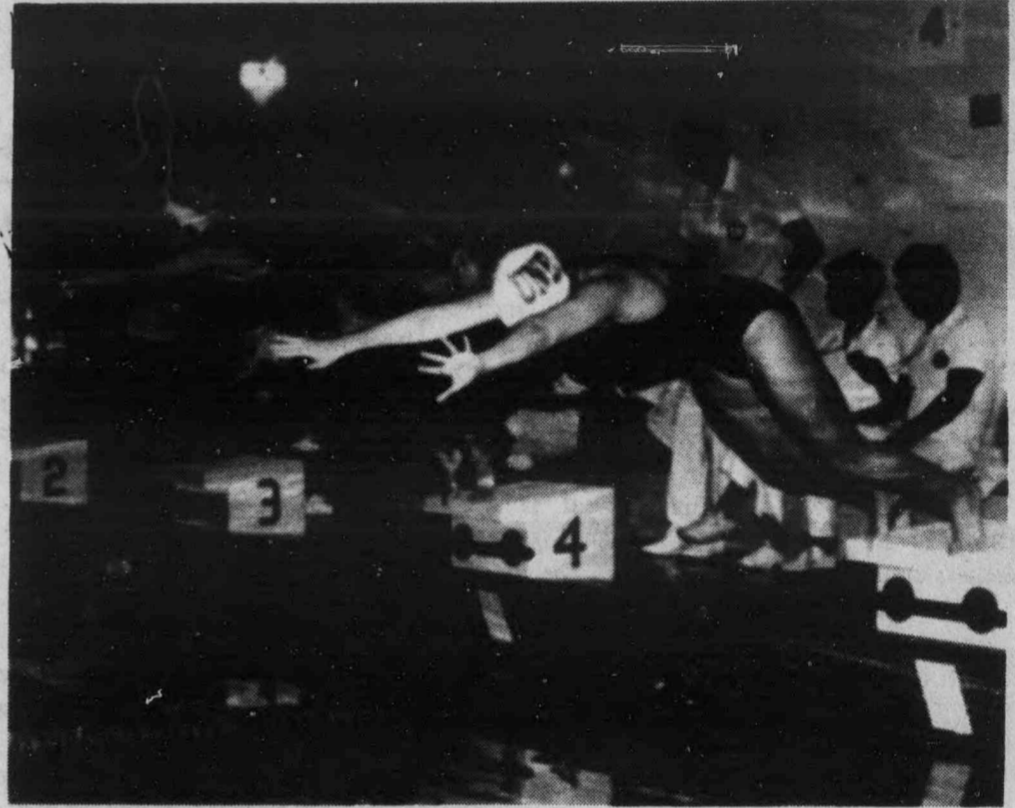

1:19.05. She had a very comfortable lead over the second place Mount Allison finisher Kirsten Midgley. Tina Tector placed third in this event.

The final event was the 800m freestyle relay event in which there was no competition. UNB easily defeated Mount Allison in a time of 10:29.30. The members of the relay team were Angela Pickles, Tanya Pitt, Jennifer Wright, and Timley Lynch. The

UNB team ended up with a major win over the Mount Allison team winning with a total team score of 100 points as opposed to Mount A's 53 points.

This weekend will see the team once again take on the Mount A team. However, this time UNB will go to them. UNB is looking to be a strong team again this year. Both the men's and women's teams are working very hard to achieve the AUA title

again this year. So far, UNB has only had overwhelming competition from Dalhousie. As in the past, Dalhousie has managed to put together a solid team. UNB has some very talented swimmers with them again this year. The season will be tough but short as it always is, but UNB is getting better every day.

Rebels

win two

Over the weekend the UNB Rebels won two games in the tournament. They defeated their initial opponent to win the first tournament Saturday afternoon.

The Rebels played a very tough game against the Tigers. They were defeated by the Tigers 7-0 and 15-8. Cullinan played well for UNB despite the loss. He had 20 kills. Dainoff had three steals.

Later on in the tournament the Rebels went back to face the Moncton team. They won the match 15-7. UNB's effort to save the match was down 14-11 when a late rally brought back to take the final two points. It was all UNB and 15-11.

This coming weekend the Rebels will have a characterful match with 3 first starting line. Coach Beland will be the perfect coach for the Rebels. Claude is another solid player. Rebels as a team have 15 kills. Jasco and Ellsworth are also key players for the Rebels.

Raiders

by Lynn Justice

Over the weekend the Raiders have shown they are capable of competing with the best in Canada.

Just recently the Raiders won a tournament at the University of New Brunswick. They couldn't quite win the game against the Raiders. Although there was a close game, the Raiders won.

The UNB Raiders will be playing the Husson college team for a match. The Raiders are a very strong team. Although this game is a tough one, the AUA title is within their grasp. The Raiders came up with a 101-72 victory. The point difference was some very good from the Raiders team. So far, the Raiders have come up with a 101-72 victory. The Raiders are a very strong team. Adams put up a great performance.

As last year, the Raiders should do well. The Raiders have a remarkable point area.
