Bank of Montreal

The First Canadian Bank

We figure it this way: if we can be of help to you while you're a student, you'll stick with us after graduation—when we can be of even greater assistance.

So, come see us for advice on handling money. We can show you a few things that Economics 201 doesn't cover: how to save with a True Savings Account, how to cheque with a True Chequing Account, how to budget to make the most of your money, how to avoid running short. And we can discuss loans too.

There's a Bank of Montreal nearby. Drop in, anytime. We want you to get your money's worth.

We want you to get your money's worth.
