Triple crown track stars

Laurie Wright, Ann Bryan and Sheridan-Laurie turned in triple crown efforts to dominate their respective divisions of the Peel Secondary School girls western zone's track and field qualifying meet at TL Kennedy.

Erindale's Laurie Wright had the right formula for triumphs in the three sprint events of the senior division.

She took the 60-metres with 8.3 seconds, then added 400-m (13.1) and 200-m (28.0) honours.

The junior section, where Woodland's promising sprinter Ann Bryan — a girl who aspires to Olympian heights — took both the 100 and 200-m dashes, produced the most spectacular times. The 14-year-old runner was clocked in 12-second flat

while winning the classic 100, beating Lorne Park's Caroline Rich. Over the "triple Ann" 200-m distance (a trio of Annes in Bryan, Good of Erindale and Rich crossing the finish line in that order) the Woodland speedster beat the winning senior time by nearly a full second.

Displaying versatility Ann Bryan leaped 5.11 metres to capture the junior long jump crown.

The midget division's outstanding individual performance came from Lorne Park's Sheridan Laurie, who was all alone in taking the 60 and 100-m and had a photo finish with school mate Marilyn Cooper for the 200-m title.

Meet records were snapped in all three high jumps with Beatrice Lipp of Streetsville setting a senior mark at 1.47-m; Brampton's Pat White leaping 1.52 metres in the juniors; and Lorraine Kelly of TL Kennedy giving the home crowd a reason for cheers with a 1.48 metre midget effort.

Following are the winners of the Peel Secondary School girls qualifying track and field meet.
