

Now I am going to answer ⁴⁸⁸⁵⁴
your Xmas letter which
was a great pleasure to me
to see to find you in your
busy life to write it. I feel
very much for you in not
having your loved ones
with you to sympathize &
rejoice with you just now
at such a time one
feels ones loss very
keenly more than when
one has to give ones
mind to the active
duties of life. I am glad
you are very busy with
public work it is a great
help in sorrow.
