Dear Mr. Meighen

Some short time ago, the
Press contained an article saying
you were going to be a senator
and willing to go into the Senate
and read - I trust the report
is true. I am a sick man, cancer
in throat, which has defecrated
the knife not possible, so the
trouble not good - A few days ago
I sent a letter to James White, Senator
and our young wife to see the
Senator together on forenoon of the
7th - and a similar letter to
Mr. Guierbach, the other who
a day or two after this I got
a letter from which, that he
