July 30, 1918.

Rev. Sir,-

I beg to refer you to your letter of the 12th of April, last, in which you nominated Mrs. Mary Yarwood as teacher of the Moravientown Indian school and stated that your understanding with her was that this appointment was only for the balance of the school year, in order that, if possible, the wish of the Department to secure a married man for this point might be carried out in time for the opening of the fall term.

I have to ask you to be good enough to state whether you have any married man in view for this position, or whether it is the intention to have Mrs. Yarwood again take charge of the school after the summer holidays.

Your obedient servant,

  
 Asst. Deputy and Secretary.
