

## Chapter XXV

### *A vital educational creed*

I believe:

That God is the Creator, the source of life, the essence of life which gives it the power of evolution to higher life, and the centre of universal unity.

That God and the child are the essential elements in all true educational thought and investigation.

That man's highest destiny is unity or inner connection with God.

That the perfect community of humanity is the only sure foundation for the complete unity of humanity with God.

That the fullest development of the individual is the true basis for the perfect community or inter-relationship of humanity. Race-inclusive individuals form an individual race.

That the highest function of education is to aid in the complete development of individuality as the true basis for the com-
