

JAMES BAYLIS & CO., offer to the Trade a large and varied assortment of Carpets and Oil Cloths, Cocoa Mattings, Rugs, Stair Rods, and all Goods connected with the Carpet Trade. The present extent of our Wholesale business has compelled us to remove to larger premises, 31 King Street East, (a little East of the old stand.) where we have a wholesale front on Colborne Street, forming the largest and most complete Carpet Warehouse in the Provinces. The Montreal Warehouse is at 74 Great St. James' Street, and is at all times stocked with a complete assortment of all goods pertaining to the Trade. We believe that in style, variety, price, and terms, we cannot be surpassed in offering Inducements to wholesale purchasers throughout Canada.
