In Some Respects

life insurance is unlike other investments. It necessarily increases in value as it grows older. It has less temporary, and more ultimate value than any other. Life insurance is the capitalization of affection. Everything desirable in life insurance can be furnished by that sterling Canadian company, the NORTH AMERICAN LIFE. A postal card to the Home Office or inquiry at any of its agencies, almost everywhere, will give you information about a plan just suited to your case.

NORTH AMERICAN LIFE.
