THE SECRET OF A WONDERFUL SUCCESS

The rise and progress of the Mutual Life of Canada has been one of the romances in the history of Canadian finance. Less than half a century ago a small group of men in an obscure Ontario town determined to establish a Life Insurance Company that would give the public the maximum of service at a minimum of cost. That being the aim it was resolved that the organization should be purely mutual. Five hundred prospective policyholders were gathered and formed the nucleus of the company. From this small beginning in 1870 the company has gone forward steadily with more regard to security and mutual serviceableness than big business. The result is that the company today is enjoying a popularity that is phenomenal writing during the past year more than \$20,000,000 paid for assurances.
