

Fistula and Poll Evil

Any person, however inexperienced,
can readily cure either disease with
Fleming's
Fistula and Poll Evil Cure
—even bad old cases that skilled doctors
have abandoned. Easy and simple; no
cutting; just a little attention every fifth
day—and your money refunded if it ever
fails. Cures most cases within thirty days,
leaving the horse sound and smooth. All
particulars given in

offer. **Geo. D. Fletcher, Binkham P. O., Ont.,**
Erin Shipping Station, C. P. R.

PLEASE MENTION THIS PAPER.

GOSSIP.

GILEAD SPRINGS PONIES.

The breeding of Iceland, Welsh and Shetland ponies is the specialty of E. Dymont, of Copetown, Ont., on his splendid farm, Gilead Springs, near Copetown Station, 10 miles west of Hamilton, on G. T. R. Owing to the extraordinary demand for ponies, Mr. Dymont has now only 11 on hand, his sales since last report being 1 to Dr. Harvey, of Guelph; 1 to D. Rose, of Embro; 1 to J. Watson, of Palgrave; 1 to R. Campbell, of Keene; mare and foal to Dr. Little, of Hamilton. Mr. Dymont enjoys a widespread trade, and active demand for ponies, and the many letters in his possession from customers expressive of their satisfaction on receiving their purchase, is the strongest kind of testimonial to the honest description and straightforward way he does business by correspondence. Still on hand for sale are one black Welsh pony, 11½ hands high, six years old; another two-year-old gray Welsh filly, 10½ hands, an extra-good one; still another is a sorrel yearling Welsh filly that will make something very choice; a little beauty is a yearling piebald stallion that should develop into a winner. Write Mr. Dymont to Copetown P. O., for quotations, as these will soon go.

AYRSHIRE SPECIAL PREMIUMS.

The American Ayrshire Breeders' Association offers the following special prizes for the season of 1909: \$600 in special premiums on the individual entries, with five premiums in each class, at the Alaska-Yukon-Pacific Exposition, at Seattle, Washington, in September. Also a special premium of a silver cup valued at \$25, called the Secretary's Cup, is offered through the Ayrshire Breeders' Association at the Alaska-Yukon-Pacific Exposition, for the best Ayrshire cow in milk, of any age, bred by the exhibitor. \$300 in special premiums on the individual entries at the National Dairy Show in 1909. There is also offered, through the Ayrshire Breeders' Association, by a friend, a handsome sterling silver cup, valued at \$125, called the New England Cup, for the best young herd bred by the exhibitor (except that the bull may be bred by other than the exhibitor). Entries to this special prize cup, limited to members of the Association living in the United States.

Animals entered in all the above classes shall be registered in the American Ayrshire Record, and owned by the exhibitor, who shall be a member of the Association—C. M. Winslow, Secretary.

BUENA VISTA OXFORDS.

Shorthorn cattle and Oxford Down sheep are the specialties in live-stock breeding on the Buena Vista Stock Farm of J. Cousins & Sons, of Harriston, Ont. With particular attention paid to the splendid flock of Oxfords, as an expert judge of sheep there is probably no man in Canada that stands higher in the estimation of sheep-breeders than E. Cousins, of this firm, his decisions in every case being in strict accordance with his own sound judgment, for no man could influence him a hair's breadth. The firm are not exhibitors, but sheep of their breeding in other hands have won a host of honors, particularly at Toronto and Guelph. Just now their flock is about 90 strong; for several years headed by the noted Toronto, London and Ottawa winner, Imp. Hamtonian 96, certainly one of the best stock rams ever imported, he has lately been sold to A. Stevenson, of Atwood, and in his place was purchased the splendid ram, Imp. Hamtonian 136, winner of second at Toronto and first at Ottawa and London. This year's crop of lambs are all by the former stock ram, an exceptionally-choice lot, extra-well covered, and showing plenty of bone; later they will be for sale. A few choice shearling ewes are left for sale, the balance of the shearling rams have lately gone to Peter Arkell & Sons, of Teeswater. The Shorthorns are an extra-big, strong lot, Bates foundation, Scotch topped. As a general-purpose herd of Shorthorns, there are none better in the country. On hand for sale are about 17 heifers, a most desirable lot for the Ontario farmer, and they can be bought well worth the money.

James I. Davidson,

BALSAM, ONTARIO,

WILL SELL BY AUCTION, ON

Thursday, the First of July, 1909,

AT SITTYTTON GROVE FARM, THE WHOLE OF HIS

Shorthorn Herd

There are 30 FEMALES, besides numerous calves at foot.

There are 6 BULLS old enough for service.

The herd has lately been founded, and the best judgment of a noted breeder has been displayed in making the collection. The cows include some of remarkable scale and quality, all are good breeders and money-makers. The bulls are of a very high order, bred and made to be reliable as sires and show bulls too.

The whole of the cattle are of the best Scotch breeding. They were bought to breed from and not to be sold. Owing to the continued ill health of the proprietor, buyers will get the benefit of this at their own price.

The cattle are in good condition, but have no special preparation. Many of the young things have been prizewinners, and the calves being prepared for showing now are very strong.
