DOMINION OF CANADA
DEPARTMENT OF AGRICULTURE
COMMISSIONER'S BRANCH.

Ottawa, Sept. 14th, 1903

Messrs. The Kemp Manure Spreader Co., Ltd.
Stratford, Ont.

Gentlemen,

My neighbor, the Hon. Jno. Dryden, Minister of Agriculture for Ontario has used one of your manure spreaders for several years, with which he is highly pleased. I have been an interested observer for a number of years, and this year I asked him to allow us to make a test of it at Glenhodson Farm in spreading both long and short manure. The results were satisfactory, and I determined to obtain one.

I can heartily recommend this machine to Canadian farmers, and to all who have manure in quantity to spread. It is a great labor and manure saver and has exceeded my expectations. I am highly pleased with it. The machine has many advantages which I need not enumerate here.

Yours very truly,
F. W. Hoodson
Live Stock Commissioner.
