A Policy-Holder's Company
 The North American Life Assurance Company has a Guarantee Fund of \$300,000, of which \$60,000 is paid up in cash. Interest is allowed on this paid up portion only. Policyholders thus obtain additional security of \$800,000 and what is of greater importance, are assured of careful and conservative management as the Guarantors are liable for this amount. By the Company's Act of Incorporation, every holder of a participating policy in the Company, upon which all premiums due have been paid, shall have one vote in person for each \$1,000 of insurance held by him. Policyholders are thus given a voice in the management of the Company's affairs. In short, it may be said that the North American Life is neither a Mutual nor a Stock Company yet possesses the advantages of both.
