

HERE'S THAT ONE-MAN RIG HART-PARR 30 H.P. GAS TRACTOR

YOU ALONE can handle tractor, plows and harrows—work all day—without help; without fuss or fret. Unlike horses a **Modern Farm Horse** exerts the same even power at 8 p. m. as it did at 5 a. m.

Summer Fallow—Clears out weeds, gives land a rest and you reap noticeable benefits if you plow deep enough, and then cultivate properly. A **Modern Farm Horse** will soon pay for itself because of the deeper, better plowing and harrowing it does.

Whatever the Operation, whether discing, seeding, harvesting, you can do it cheaper, quicker, more thoroughly with a Hart-Parr Gas

Tractor than with any other power. **Easy to Handle**—This 30 H. P. has one front wheel and it squeezes close into fence corners. Turns in 36 foot circle. You can plow 18 to 20 acres a day at a cost of 40c to 50c per acre. Light in weight, because built largely of steel.

Its food is the cheapest kind of kerosene. It works as willingly at zero as at 95 in the shade, because it is oil cooled—a special Hart-Parr feature.

For **Larger Farms** there is our 45 H. P. which does the work of 25 to 30 young horses, or double that number—for you can work night and day while the "rush" is on. Write now for catalog and new literature.

FINE ATTRACTIVE HOME

DESIGN "VANCOUVER" 31ft. 6in. x 32ft.

Your first impression of this House is bound to be favorable. Outside appearance is very picturesque, having a Full Six foot Verandah with Large Square Porch Posts.

Exposed Brackets and Rafters also add to the general attractiveness of this ever popular design. Notice the Balcony on second floor.

On the ground floor are Reception Hall, Living and Dining Rooms connected by sliding doors, Kitchen, Pantry, and Back Porch.

Upstairs are Three Fine Bedrooms, Linen Closet, Clothes Closets, separate Bath and Toilet. This is a particularly bright house, there being plenty of windows.

This is a very neat, inexpensive home, and should be worth your while to ask for further particulars.

BEWARE IMITATIONS

Our Latest Booklet on RUBEROID ROOFING

Trade Mark Registered. Pronounce it RUE-BER-OID.
is entitled, "RUBEROID—WHY?"

There's nothing dry or heavy about it. It's a breezy little story of some of the adventures of "The Ruberoid Man."

But at the same time you'll find it just as full of sound, common-sense roofing information as it is of interest.

Write to-day for a copy of "Ruberoid—Why?" (No. 5)—it's free for the asking.

Have you ever seen "SOVEREIGN" Sheathing Felt? If you haven't, ask for a sample of it, too.
