We are busy just now opening up

BEAUTIFUL - NEW - GOODS

For the Spring buying.

There is something intensely interesting in watching the hearty, active growth of a successful business. Last year's busines showed a big increase which must be attributed to conditions which are a part of our business methods:

- I.-Merchandise of unequalled quality, correctly priced.
- II.—Broad and liberal buying to keep assortment complete.
- III.—Having satisfactory store service.

We meet this Spring's business with confidence that it will bring us still greater measure of success.

We are placing into stock this week piles of NEW SPRING MERCHANDISE for your inspection.

New Dress Goods, Suitings, Vestings, Blousings, Dress Trimmings, piles of new Wash Fabrics, new Wrapperettes and Flanelettes, Muslins, Lawns, Silks, Cretons and Art Sateens, Table Linens & Napkins, New Ribbons, Veilings, Gloves, Hosiery Ladies' Fancy Collars and Ties, Floor Oils and English Linoleums, beautiful designs.

We call special attention to the beautiful finish and superior New Prints.

We extend an invitation to our many Customers. You will not be asked to buy, but we are anxious that you should see that when WE advertise, we mean what we say.

Frost Fences Are Strong All Around

The laterals of a Prost Fence are High Carbon No. 9 Hard Steel Coiled Wire, thoroughly galvanized—that can't be broken until the strain reaches from 1900 to 2200 pounds.

The stays are No. 7 or this same No. 9 wire.

And the two wires are locked with the Frost Locks.

That braces the fence in all directions—up down and diagonally.

We are so sure that Frost Fences are the strongest and best that we guarantee to repair, free of charge, any fence that goes wrong. That's fair, isn't it?

Frost Wire Fences are for sale if
