PARIS, Ont., Oct. 24.—Burglars broke into the two downtown Paris hotels some time between closing time on Wednesday night and early Thursday morning. At the New Royal they were prying open the cigar case when they broke the top glass of the case. It snapped with a sharp report, and evidently fearing that some one would investigate, they made a hasty retreat. At the Arlington there was no sign of an entrance being forced, but the large pane of glass in the door between the office and bar-room was removed and the ash register in the bar pried open and \$40 in cash taken. No loss of cigars or liquor could be detected. The thief or thieves left practically no clue behind. In addition to the loss of money at the Arlington the cash register in the bar was heavy. "Irish" Wilson was charged on Tuesday with stealing a watch and various sums of money amounting to \$60 from the boarders at Mr. Walt Kyle's. He was found guilty and allowed to go on suspended sentence, a promise agreeing to guarantee good behavior on his part and also paying back all the money stolen.

Paris, Brantford and Galt junior M.C.A. members will compete in an athletic meet here on Saturday forenoon.

KNIFE TO ELIMINATE CRIMINAL TENDENCY

Prisoners From Michigan Are Operated Upon—State of Doctor.

Operations Are Destined to Remove Abnormal Conditions Affecting the Nerve Centres—Charges Will Be Dismissed if Weakness Overcome.

CHICAGO, Oct. 24.—Four patients were operated on yesterday by Dr. E. H. Pratt of Eversett, Ill., in an effort to eliminate criminal tendencies and moral deficiencies. The operations were performed at the instance of Judge George W. Bridgman of the Circuit Court of St. Joseph, Mich., who has announced that he will not sentence any one convicted in his court of moral crimes to penitentiaries or insane asylums, until the knife has had an opportunity to regenerate the mind affected.

For obvious reasons, the names of the persons upon whom the operations are performed will be withheld. Dr. Pratt in discussing the subject recently with Judge Bridgman, said that the operations would not destroy any organ or function of the mind or body, but merely would remove abnormal conditions affecting nerve centres. Two of those who went under Dr. Pratt's knife, recently at St. Francis Hospital at Evanston, are brother and sister, both under twenty years of age. Dr. Pratt succeeds in overcoming their moral weakness, the charges pending against them in Judge Bridgman's court will be dismissed. Both are said to be recovering rapidly from the effects of the operations. Yesterday's patients were two men

and two children, against whom charges are pending in the Michigan court.

The Protestant Episcopal Church Convention at New York decided to assist in organizing an international convention for the discussion of divorce, to be held in San Francisco, in 1915.

Constipation Is Cured by HOOD'S PILLS

Denied Life Insurance

because his bodily health failed to meet the company's rules, Mr. James Connors says Duffy's Pure Malt Whiskey built him up so that he successfully passed three different physical examinations by the same Life Insurance Co. which formerly rejected his application. No wonder he will not accept substitutes for Duffy's.

"I have great faith in your wonderful remedy, which I have taken regularly for the past twenty-five years. Before I took Duffy's Pure Malt Whiskey, I was subject to chills and heavy colds in the winter and had a very poor appetite. My family physician advised me to take a tablespoonful of Duffy's Pure Malt Whiskey before meals. I followed his directions and found it created an appetite, and while taking it I was not subject to the cold chills that I formerly suffered with."

"Twenty years ago I was rejected by a Life Insurance Company, and since taking your whiskey I have built myself up and have passed three times since in the same company. James Connors, 397 Baltic Street, Brooklyn, N.Y."

It is a wonderful remedy in the prevention and relief of nervousness, typhoid, malaria, all stomach troubles, diseases of the throat and lungs, and is recognized as a medicine by doctors of all schools. Sold in SEALED BOTTLES ONLY. Beware of imitations and substitutes. They are positively harmful and are sold for profit only by unscrupulous dealers. Look for the trade mark, the cork is unbroken. And be certain the seal over the cork is unbroken. Sold by most druggists, dealers and houses, at \$1.25 a large bottle.
