per annum. SEMI-WEEKLY COURIER-Published or Tuesday and Thursday mornings, at \$1 per year, payable in advance. To the Church Street. H. E. Smallpeice, Repre sentative. Chicago Office 745 Marquett Bldg, Robt. E. Douglas, Representative

Tuesday, December 5th, 1916.

### THE SITUATION

The opinion was expressed in the absolutely untrue. so it is proving. The enemy has his big guns trained on the place, and it is said that the city will be evacuated in order to avoid the horrors of a place of the total figures for ated in order to avoid the horrors of a proving. The enemy has his row of crosses mark the last resting place are the last resting to the dead soldiers of France place, and new note of credit for £400.000.009.

The Premier Asquith on Thursday will place of the dead soldiers of France provent a nation-wide railway strike or lockout before there had been opportunity for investigation, but decomposed on the place of the power, in case of mulitary necessity, to take control of such portions for military necessity, to take control of such portunity for investigation, but decomposed on the place of the dead soldiers of France place of the dead Courier war summary that the saving

ated in order to avoid the horrors of a bombardment.

In other directions, the news with regard to King Ferdinand's troops is not reassuring, and Berlin claims that eight thousand prisoners have been taken. The Russians report successes in the Carpathlans and in House may one and the control of the passage of the Port Rico government alive as probably own country are alive as probably they have never been before in her they have have now in the problem. The treat hav

And never, I believe, have so many ordinary men at the same time lived a whole series of heavily fortified a whole series of heavily fortified positions beyond the Cerna river, east of Monastir. In their flight the Bulgars abandoned large quantities are the same time lived by the railroads caused by the operation of the sacrificing, so brave, so pure, so far removed from one's old ideas of the swash-buckling and sometimes.

And never, I believe, have so many trates to meet additional expenditures by the railroads caused by the operation of the suggestion that the operation of the railways of the removed from one's old ideas of the swash-buckling and sometimes.

To-day, the President took the position that it is impossible to shoot the swash-buckling and sometimes. Bulgars abandoned large quantities high cost of living. of stores and ammunitions, and left a large number of prisoners in the

ands of the victors.

The Greek crisis is still that. As a synthese sten in the pressure brought hands of the victors. further step in the pressure brought by the Allies, Great Britain has placed an embargo on Greek shipping. A blockade of her ports should help to bring Constantine to time.

### THE PRESIDENTS ADDRESS

The address which President Wilson delivered at a joint session of the two Houses of Congress to-day was devoted entirely to domestic

There was not one word with reference to the war, to the fact that the murder of Americans on the Lusitania still remains without reparation, or to the further cir-"cumstance that the lives of other Americans have been jeopardized and taken by German submarines.

Had a half per cent, of what the been even attempted by John Bull, there would have been a tremendous hullabalo and demands for vindication in both Houses, and in every newspaper. It is impossible to escape the inference that Wilson and his advisers are still afraid of the hyphenates who reside within their in man was obeyed at present. Deach to the found.

In his allocation delivered before the tory of the world have so many men lived such noble and simple and self-sacrificing lives as the present armies of England and France. If, as George Meridith said, the principal part of faith is patience, then nowhere so much as in the cemeteries and on the battle-fields of France is faith to be found.

to stand pre-eminently for individual and national liberty, but are sit- we see every principle of right vioand national liberty, but are sit-ting idly by while the great German bully is trampling under foot, Bel-gium, Serbia and now Roumania, with an utter disregard of treaty conventions to which Washington
