Village Council Meeting

The Village council met Monday evening pursuant to adjournment.

The Reeve and all members were present. The minutes of previous meeting were read and adopted.

A communication was received from the Provincial Treasurer acknowledging the receipt of certified copies of By-law No. 217 of the Village of Waterdown, also No. 654 of the Township of East Flamboro.

A deputation of ladies waited on the council setting forth the work the Community League is undertaking re the Memorial Hall. They invited the council to be present at a meeting to be held in the Township hall on June 11th, when the building of the said Memorial hall will be thoroughly discussed.

Mr. C. P. McGregor also gave his report of the Hydro Radial meeting which he recently attended in Guelph.

By-law No. 218 re closing that portion of Water street enclosed in the "right of way" of the South Ontario Pacific Railway was given its three readings and finally passed.

The following accounts were passed and ordered paid.

Geo. Potts, 3 months salary Bell-ringing to June 30th.....\$15

J. C. Medlar, Clerk and Treasurer, 3 months salary to June 30.....\$37.50

Mr. John Smiley was appointed Constable of the Village of Waterdown at a salary of \$100 per year, to remain so at the pleasure of the council.

On motion the council adjourned to July 14th.

Court of Revision

The members were then sworn in as a Court of Revision of the Assessment Roll for 1919.

There were no appeals re amount of assessment of any property. Two dogs were added to the roll and Mr. Gordon was assessed for the Zimmerman property on Victoria street as owner, Ernest Fallis as owner of the Edge property on south side of Nelson street, and Albert Hemingway as owner of the Duffy property on Union street. There being no further business the Court arose.

The home of Mr. Norman Binkley of the fourth concession was thrown into a great state of excitement on Sunday last, when upon returning from a walk, they found that their home had been entered during their absence. The only clue Mr. Binkley has to work on is the lady that was locked in by the marauders. Despite Mr. Binkley's efforts at cross-examining his unwelcome guest. She refused to divulge the names of her accomplices or give any information whatever. Several neighbors have volunteered suggestions, while one lady about a mile west of Mr. Binkley's declared positively that she saw them pass her place acting suspiciously and at once phoned several other neighbors to apprise them of her suspicions but even with the efforts of the neighbors the culprits made a clean get away.

At time of going to press Mr. Binkley still has his newly found treasurer as an inmate of his home and altho Mr. Binkley has been an ideal host she still refuses to give any information that would lead to the arrest of the comrades.

We must confess that we take off our hats to the lady in question, she is acting in a very honorably manner considering the dastardly trick played on her, and we firmly believe it is Mr. Binkley's intention to give the poor unfortunate a home as long as she cares to stay.

WHAT HE REALLY WANTED

The candidate after tiring his audience, wound up as follows: "I want housing reform; I want land reform; I want educational reform; I want

"Yes," shouted a bored voice from the audience, "you want chloroform."

Guess Who?

There is a man called _____
(A name of no renown)
He did not go to fight Hun,
But lives in Waterdown.

His hair, once was very brown,
His eyes are brownish too,
He always meets you on the street
With a cheery "How do you do!"

He isn't a canny Scotchman,
Nor a "Parley-vous Francais"
He may have streak of Irish,
I would not like to say.

Perhaps he came from Yankee land,
They turn out such as he;
And he isn't a Tommy Bull-dog
Who has the grip— Oh, Gee!

But he was born a Johnny Cannuck
In the land of the Maple tree,
And I always call him father,
And he's over eighty-three.

Apples at \$12 a Barrel

One of the fruit dealers on the Toronto market received a genuine surprise last week when a farmer from Waterdown drove in with two barrels of apples and stated that he had 12 more like them at home. They were Spies of large size and high color and when he delivered the 14 barrels he received \$168, or \$12 per barrel. The fruit was firm and good, it was cleared out of the fruit merchant's warehouse at an advance on the price paid, in a few hours.

Father's Time

We've Mother's Day and Children's Day,

And dog-days soon are due;
We've days to loaf and days to work,
And days for heroes, too.

And now a movement is on foot
(At least the papers say)

To honor one who pays the bills—
And have a Fathers Day.

This idea seems a little late,
But, just the same, it's right;

Should father be consulted, through,
We'll bet he'll take a night.

Greenville

Mrs. Elliot of Brampton is visiting at the home of Wm. Gumbert.

Miss Annie Morden, of Hamilton, spent Sunday with relatives here.

Mr. and Mrs. W. Taylor on Sunday visited with Mr. James Smith at Westover who is quite ill.

R. S. and Mrs. Miller and Mrs. C. Shields, of Hamilton, spent Tuesday with Mr. and Mrs. John Surerus.

Bob Anderson is under the doctors care.

The funeral of the late Mrs. Mae Kay, whose death occurred last Thursday, took place on Saturday afternoon to Christ Church cemetery. Rev. Mr. Rowland officiating. She is survived by one sister and one brother.

Wedding bells are ringing for three of our young men.

Aldershot

The Aldershot Soldiers' Aid which has been doing such splendid work during the war, held its final meeting recently, but will resume work this coming winter. They had 50 pairs of socks and bandages on hand, which were sent to the Brant Military hospital. The society had a balance on hand of \$350.00, which will be used in cases of emergency.

"Why call our soldiers doughboys?" asks a reader. The origin of the name is supposed to be due to the fact that they have a Baker for a boss—which led another man to add that the allies needed them. Get it?

Community League

The meeting in the Township hall last evening, called for the purpose of organizing a Community League, was attended by a large representative of the citizens of this village.

Mrs. W. A. Ryckman, President of the Patriotic League, called the meeting to order and briefly outlined the object of the new league, the building of a Memorial hall in the near future. J. F. Vatee was elected chairman and the work of the evening was proceeded with.

It was decided to hold the annual Garden party, which in the past has been so ably handled by the Patriotic League, under the auspices of the newly organized Community League.

The various committees for the celebration were all appointed and arrangements will be made by them for holding a "bigger and better than ever" event here on July 16th.

Another meeting will be held next Wednesday evening in the Township hall at which a good attendance is expected.

NOTICE OF MEETING

A meeting of the electors of Waterdown and Ward 2 East Flamboro interested in the candidature of a peoples candidate at the next Provincial election, will be held in the Township hall, Wednesday June 18th at 8 p. m. J. Douglas and Mr. Dickson of Dundas, with Warden Biggs and others will address the meeting. Delegates from each polling division will be appointed to meet in convention at Dundas on Saturday June 21.

Wm. Attridge.

The Last Straw

"Yes," said the man from New York, who stood on the deck of a Cunarder leaving Liverpool, "England is the most awful corner for tips I ever struck. I've been rooked at every turn for the last month, but," he added savagely, "the last try-on was a bit more than I could stand."

"What was that?" inquired the man to whom the remark was addressed.

"Well," said the tourist, "I had tipped every man from the Captain of the House of Lords down to the man that gummed the wrong labels on my luggage, and I went into the waiting-room on the landing-stage to wash my hands, and what do you think stared me in the face when I was finished but 'Please Tip the Basin' I'm hanged if I did!"—"Tip-Bits."

A COLD BLOW

The minister went to visit a poor woman in Scotland who had just lost her husband. He tried to speak consolingly to her by pointing out that the deceased was in a much happier state.

"Just think, my good woman," said the worthy divine, "your dear husband is perhaps at this moment playing a harp."

"Na, na," interrupted the sobbing widow, "mickle auld that'll dae his rheumathms, sittin' on a cauld cloud blawin' a trumpet."

A NEW HERO

A group of housewives were having tea together at a restaurant and talking over the events of the day. The question under discussion was as to who had done most to win the war. Some said Haig, others Beatty, others Foch.

At last one woman chirped in. "I don't know who's done most to win the war," she said, "but I know who's been most talked about."

"Who's that?" came a chorus.

"Why, this 'ere Alice Lorraine that the French and Germans came to blows over!"
