MEDICAL BOARD

The question-should grain o hay be put in on Sunday?--reminds one of a certain sanctimonous old farmer who would neither saddle nor ride on the Lord's day for any reason, in the small hourse of a certain rain's ganday marning the river rose in flood and threatened to carry away his har-ticks inliess some diversion with pick and spade he made. He was burriedly summoned from hed, and asked, to re-vise his Sablath vices. Sorety per-

caught fir's Heavy artillery, machine gun and rifle, fre and crushed hefore they reached their objectives. The German artillery fire was particle-larly heavy up to midnight along the section just north of the Menin coar in the vicinity of Polderoek. In the arter-noon and evening the enemy launched no less than five counter-attacks in this sector of the from, but each, turne were driven back with heavy losses.

action of the trong, but each, thus were driven back with heavy losses. A fittle further north in the neighbor-hood of Reutel the Germans met with no more success. Twice they essayed to press hack the British troops, and twice they were hurried back.

question should grain o hay

A BRAINY IDEA

vice his Sabbath views. Sorely per-nlexed, he scratched his head, mutter-ing:--The Lord kens I'm no' insured igin watter." Suddenly a bright idea strack him, and he gave his orders quickly and ficerely.

and he gave his orders quickly and ficreely, "Awa" wi' we, lads, and work as if the Devil was ateer ye, and I'll pit back the clock tae Setterday night."

PASTOR RESIGNS MONTREAL, Oct, 5-The Rev. Gor-don H. Baker, BA.Agastor of the Temple Baptist church, Outremont, presented his resignation to the church senteral secretary of the Sunday School Association of the province of Quebec. Mr. Baker is a nativ of Nova Scotti In 1964 he was gradiated with BA. degree from Acadia Universary. Wolf-ville, N. S.

Medical Boards are Ready !

Medical Boards are now ready to examine all men who apply as to their physical finess for military are the boards are established throughout this diaris. These boards are established throughout this diaris. The boards are established throughout this diaris. Category B if for service overses in Army Medical Board will classify each applicant according to his fitness i into Medical Board is to category any other Category will remain as the mean place the many place of the service overses in Army Medical Board will be included amongst those for the service over any other Category will remain as a fit of the service overses in Army other Category will remain as a category at many other Category will remain as a category of the service over any other Category will remain as a category and any other Category will remain as a category at may other Category and any other Category will remain as a category at may all apply for exemption on any ground. The methods are category at the service in the service in the service in the service of the many other Category will remain as a category and any other category will remain as a category and any other category will remain as a category at any service. The many face of the service and second and the service and will result in the service and second and undergo examination. The methods of examination are simple and will result in a face monoverse. Means the service as a methods of examination are simple and will result in the second or the service over the service of the service over a second and undergo examination. The methods of examination are simple and will result in the second over the service over a second and undergo examination. The methods of examination are simple and will result in the second over the second ov

Now is the time for employers to obtain facts of the greatest value to them in making their lations. The Medical Boards will determine how many of their employees will be left, at home for ical reasons and how many will be selected for service unless an application for exemption be made success.

progress than the Russian revolution-ary cause, and that he is burning the candle at both ends in order to save his country, and hopes not to die before Russia is liberated from the German yoke, and the present anarchy devel into a real Rusian democracy.

GERMAN FLEET TO ATTACK HELS-INGFORS

LONDON, October 8-Strong German

LONDON, October 8-Strong German naval forces have been observed off the Island of Borholm and off the coast of Sweden, apparently-confirming ramors of an intended German offensive against Helsingfors and Petrograd. It is learned from a trastworthy source that considerable German forces are soon to be assembled in the Baltie including mine sweepers, seaplance and Aransports. The German plan is believed to include an attack on Helsingfors by land and sea.
