

Potatoes

There is no lack of potatoes—the trouble is not that—but good potatoes are rather scarce at this time of the year.

We have some that cook dry and mealy. You need not buy many to try them. Then if they prove satisfactory, you can buy more.

The arrests were made at the direction of Mayor Flood. The players gave bail for appearance for examination Monday.

London Free Press.—George Black, a wisecracking fellow, is due for the formation of the International Ball League, arrived back in town Friday night. Black will likely have charge of other favorable business proposition has been made to him. “Chatham,” he says, with customary enthusiasm, “will be found with a team that will show the Londoners the way. When we come up here on the 10th, you can take my word for it that London will go under.” Of course, Mr. Black's word settles it.

kept working overtime. With a rapid rush the Glencoe forwards broke in on goal. Twice the ball was fought on the mouth of the goal, but the third bing from Murray registered. Time 6 minutes.

Up to this point the Chatham forwards had been taking matters easily but were now given something to do. Fraser sent the sphere to Brackin and the little inside right man manoeuvred it down the field, passing to Mowbray, who in turn forwarded it to Sheldon. The last player met it with a fine drive that beat Long and scored first blood for Chatham. Time 7 minutes.

On the kick-off Jahnske took possession and forced the attack till checked, forwarding the sphere to Brackin. Brackin ran it to the mouth of the goal and cleverly passed out to Anderson, who equalized the game by putting the rubber through from the outside wing.

In the second half both teams put another goal to their credit. Piggett scoring for Chatham with a fine drop and Elliott putting in a swift one for Glencoe. A claim of off-side against the latter goal was disallowed.

The visitors played in fine shape and with faster and cleaner combination than did our players. Capt. Galbraith played a star game, but his support was of a first-class order throughout.

For Chatham the new players all made a favorable impression. Fraser, the new half, is an earnest, indomitable worker, feeds his wings well and is invaluable in front of goal. The veteran players were not up to their old time form on occasion.

The game was unmarred by any unpleasantness and was clean and enjoyable throughout.

He is a Wonder.

All who see Mr. C. E. Collier, of Cherokee, as he is now, cheerful, erect, vigorous, without an ache, could hardly believe he is the same man who a short time ago, had to sit in a chair, propped up by cushions, suffering incessantly from an aching back, in agony if he tried to stoop—albeit caused by chronic kidney trouble, that no medicine helped till he used Electric Bilets.

Positively cures Backache, Nervousness, Loss of Appetite, all Kidney troubles. Only 50c. at A. I. McCall & Co's, Druggists.

THE ONLY AND ORIGINAL RUBER.

W. B. Wells has returned from St. Louis where he was one of the judges of the English setters at the dog show there. While in St. Louis, Mr. Wells went to see the Pittsburg player, who was quietly sitting watching the game when a big strapping fellow, in the uniform of the Pittsburg team, spied him and came over.

“Say where do you come from,” said the big fellow. “I know you.”

Mr. Wells looked up and said that he hailed from Chatham, the most progressive city in the province of Ontario.

“Why yes, I know you now,” said the Pittsburg player, who was none other than “Rube” Waddell himself. “You're the man who is always playing that infernal game—what's its name—on the park in Chatham.”

“Rube” appeared glad to see the Chatham cricketer and took him all around, introducing him to the players and did everything in his power to get to the Maple City judge a good time. “Rube” asked after all the Chatham people and expressed his intention of coming over this fall to see the old town. He was called away shortly afterwards to go in and finish out the game and did some good pitching in his old style.

Seventeen Years of Torture.

“I had a bad cough for seventeen years,” writes Mrs. Sam'l Hamilton, of Lawsville, Tenn. “No doctor or medicine could cure it until one year ago I began to use Dr. King's New Discovery for Consumption, which did me more good than all other medicines I ever used. It is truly a grand cure for stubborn Coughs, Colds and Throat and Lung troubles.”

Positively cures Consumption, Pneumonia, Grip, Bronchitis, Asthma, Hay Fever and Croup. Price 50c. and \$1.00. Guaranteed. Trial bottles free at the Drug Store of A. I. McCall & Co.
