## GREENWICH

Miss Lillian Bishop recently visited a short time with Rev. and Mrs. Z. L. Fash, Hantsport.

Mrs. Norman Regan and baby son were guests a couple of days last week at the home of her parents, Mr. and Mrs. Parker Illsley, Coldbrook.

Mr. and Mrs. Gordon Simpson and little son, who have boarded with Mr. and Mrs. John Fenwick the last two months, went to Grand Pre one day last week, where they are now living.

Mr. T. J. Berden went to Halifax last week to attend and enjoy the session of the Grand Division S. of T. being held there. He returned home on Friday. Mr. Berden is a member of "Lily of the Valley" Division at Port Williams and has been a very interested one for many years.

A number from here went into Wolfville on Friday evening, even though a very disagreeable evening, to hear the lecture of the noted Canadian poet and author, Charles G. D. Roberts.

Our teacher, Mr. Ward, assisted by two or three of his eldest pupils, overhauled our large school library and repaired the books in need of it, also put new numbers on some. Now all are in good condition. We understand a number of the books are missing, borrowed some time ago and probably laid aside in some of our homes and forgotten.

The large collection of books at our school library is a good one and could be enjoyed by many fond of reading.

Miss Evangeline Elliott, a former teacher here, who has been a recent guest at the home of her brother, Dr. Elliott, Wolfville, was a guest for the day and evening of her friend, Miss Bessie Fraser on Saturday, and on Sunday afternoon a number of her friends enjoyed meeting her again here at church, she being a guest for the afternoon of Mrs. H. D. Johnson.

On Saturday morning just as Jennie Pulsifer, little daughter of Mr. and Mrs. Howe Pulsifer, entered the back door of the home of Mr. and Mrs. G. L. Bishop, their dog sprang at her, biting her severely on her face. A doctor was immediately summoned and the wound necessitated four stitches being taken, the child then being taken to her home.

The large dog, "Chum", was a loved playmate of the children of the home but Mr. Bishop had him shot at once.

Mrs. D. C. Clark and infant daughter, Donald Esmond, who spent two weeks here at the nursing home of Mrs. Grace Andrew, returned home to Port Williams on Sunday.

Rev. Raleigh Bishop was taken seriously ill on Sunday morning as he was getting ready to go to church in Wolfville with the family. A doctor was at once summoned, calling again the latter part of the day. Mrs. Harris, a skilled nurse of Wolfville, is in charge of the case and he is better at time of writing.

Rev. Mr. Bishop has many interested friends near and far who will be glad to learn of him regaining his usual strength, he being an aged man.

Miss Joyce Fraser visited her sister, Mrs. Ray Fraser, in Hantsport on Sunday.

Miss Joyce Harvey returned to her school at Grand Pre on Monday morning, after spending the week end here at the home of her parents, Mr. and Mrs. James Harvey.

Mrs. George Bishop, who has been ill a few days, is now much better, her many friends will be glad to know.

Miss Erma Fash, of Hantsport, is a guest of Miss Lillian Bishop, and on Monday Miss Bishop entertained a few guests at the tea hour and evening in honor of Miss Fash.

We hear words of praise in reference to the story now running as a serial, by Robert Stead, in our Acadian.

The Montreal English rugby team, who have for some years held the MacTiger Trophy, emblematic of the rugby championship of Eastern Canada, were defeated at Montreal last Saturday by the University of New Brunswick boys, and the trophy now reposes at Fredericton. The score was 16 to 0.

## TO THE ELECTORS OF HANTS-KINGS

I wish to take this opportunity of expressing my deep appreciation of the unbounded confidence you have given by electing me your representative with so splendid a majority.

Against one of the most malicious campaigns of misrepresentation ever put up against a public man, I have received by an overwhelming voice of the people a tribute of their confidence in me. I have received a complete vindication of my personal honor.

It is a fitting and complete answer to the vile campaign waged against me by the Liberal press of this County and Province, the Wesleyan and Toronto Globe.

I want to thank the splendid organization of the Liberal-Conservative party, the women voters, and that great number of strong independent Liberal voters who united in support of Maritime Rights—the policy of the Rt. Hon. Arthur Meighen—and the fulfilment of the special claims of Nova Scotia against the Dominion.

I want to thank that large number of fine Methodist and Presbyterian people, who notwithstanding the Wesleyan joined with those of all other denominations in making certain my complete vindication. I wish to express appreciation also to the many strong temperance people, who refused to be deluded by partizan persecution and supported me by their record of service on behalf of Temperance and Moral Reform.

Finally I want to thank that loyal body of workers in the University of Acadia, who, seeing teachers and professors hurrying to and fro over the constituency and laboring both in private canvass and public debate, on behalf of my opponent, worked diligently though quietly in support of myself and the principles I represent. My loyalty to the University, where I was both a student and teacher, impels me to ask all my friends to remember the great part Acadia has played in Canada and indeed the whole world, and in remembering this, overlook any public display of partizanship and support wholeheartedly the institution.

While I did not make any promises during the campaign, I assure you I shall give my energy and such ability as I possess to the study and furtherance of all measures on behalf of this Province and this constituency particularly.

I invite and will welcome any well considered suggestions tending to the attainment of the above object.

A DEWITT FOSTER.

## PRINCE WON PRIZE AT TORONTO FAIR

British Columbia and Ontario Divided Honors in Apple Exhibit

TORONTO, Nov. 16.—(By Canadian Press)—His Royal Highness, The Prince of Wales, won his first prize at the Royal Winter Fair this morning when his short horn bull, King of the Prairies, from the Royal Alberta Ranch, won first money in the aged short horn bull class.

In fruit, British Columbia and Ontario are dividing the honors. British Columbia through the Associated Fruit Growers of Vernon, B.C., made a real win from Ontario when they had the best barrel of spy apples which in the past has been Ontario's own field. Ontario retaliated by winning for the best barrel of Macintosh apples.

The Associated Fruit Growers also won for a box of Wagner apples also of Jonathans and Newtons. The sweepstakes have not yet been declared.

THE FIRST DOCKYARD in Canada was that established in Halifax in 1758. That summer the fleet assembled at Halifax that carried the troops to Louisburg on Cape Breton. Amherst commanded the troops, and his first lieutenant was James Wolfe, later Major-General, who in the following year won the battle of the Plains of Abraham. Amherst and Wolfe captured Louisburg. The date, 1770, on the gate of the Halifax dockyard is that of the building of the enclosing wall.
