The First Sign

Of falling health, whether in the form of
Night Sweats and Nervousness, or in a
sense of General Weakness and Loss of
Appetite, should suggest the use of Ayer's
Sarsaparilla. This preparation is most
effective for giving tone and strength to
the enfeebled system, promoting the
digestion and assimilation of food, restoring
the nervous forces to their normal
condition, and for purifying, enriching,
and vitalizing the blood.

Falling Health.

Ten years ago my health began to fail. I
was troubled with a distressing Cough,
Night Sweats, Weakness, and Nervous-
ness. I tried various remedies, but became so
weak that I could not go up stairs with-
out stopping to rest. My friends recom-
mended me to try Ayer's Sarsaparilla,
which I did, and I am now as healthy and
strong as ever. — Mrs. L. L. Williams,
Alexandria, Minn.

I have used Ayer's Sarsaparilla in my
family, for Scrofula, and know, if it is
taken faithfully, that it will thoroughly
eradicate the terrible disease. I have also
prevented it as a tonic, as well as an altera-
tive, and must say that I honestly believe
it to be the best blood medicine ever
compounded. — W. F. Fowler, D. D. S.,
M. D., Greenville, Tenn.

Dyspepsia Cured.

It would be impossible for me to de-
scribe what I suffered from Indigestion
and Headache up to the time I began
taking Ayer's Sarsaparilla. I was under
the care of various physicians and tried a
great many kinds of medicines, but
obtained more than temporary relief.
After taking Ayer's Sarsaparilla,
a short time, my headache disappeared,
and my stomach performed its duties more
perfectly. Finally, my health is com-
pletely restored. — Mary Harter, Spring-
field, Mass.

I have been greatly benefited by the
prompt use of Ayer's Sarsaparilla. It
cures and restores the system, regulates
the action of the digestive and assimilative
organs, and vitalizes the blood. It is
without doubt, the most reliable blood
purifier yet discovered. — J. D. Johnson,
553 Atlantic Ave., Brooklyn, N. Y.

to the public. An American has bought
the land over it, and he claims that every-
