Perry Davis' Pain Killer. It is a real pleasure to us to speak favorably of this article, which almost universally is a good and safe remedy for those who suffer from the body. It is valuable not only for colds in the winter, but for various summer complaints, and should be in every family. The casualty which demands it may come unawares.—(Christian Advocate.)

THEO. DARRISAY, General Agent for P. E. Island. June 19th, 1867. 1 m.

Much sickness undoubtedly with children and adults, attributed to other causes, is occasioned by worms. The Vermifuge Comfit, although effective in destroying worms, can do no possible injury to the most delicate child. That valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so harmful to children. Children having worms require immediate attention, as neglect of the trouble often causes prolonged sickness.

Symptoms of worms in children are often overlooked: worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. Brown's Vermifuge Comfit, or Worm Lozenges, are simple and effectual.

Cleanse the Blood. WITH corrupt, or tainted blood, you will never flourish. It is a great evil to be avoided. It is a great evil to be avoided. It is a great evil to be avoided.

It expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blisters, Boils, St. Anthony's Fire, Ring or Erysipelas, Itch or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints, and Heart Disease. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often no curative ingredient whatever. Hence bitter disappointment has followed the use of cheap extracts of Sarsaparilla which flood the market—until the name itself has become synonymous with imposture and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the class of diseases it is intended to cure. We can assure the sick, that we offer them the best alternative we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered.

Ayer's Cherry Pectoral is so universally known to surpass every other medicine for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere. W. R. WATSON, General Agent for P. E. Island.
